Sec. II. The Bishop shall annually, within the month following the Convention of the Diocese, appoint a Diocesan Strategy Committee to consist of one Clergyman and one Layman nominated to him by the Dean of each Convocation from the Executive Committee of the same. To such Diocesan Strategy Committee and to the Executive Committee of the Convocation wherein such action is proposed, or if the change of site be from one Convocation to another, of both Convocations, any petition for leave to take any of the actions set forth in Section I shall first be presented in writing. If the proposed action be the establishment or change of site of a Diocesan Mission, the petition shall be presented by the Dean and Executive Committee of the Convocation concerned. For any other action the petition shall be signed by the organization or persons chiefly interested in promoting it. *Provided*, that if the application be to change the site of any existing Church, Chapel, or Mission, the petition shall aver that notice of the proposed change of site has been given by the Rector or Minister-in-Charge to the Congregation at one public service on each of the three Sundays immediately preceding the presentation of such petition.

Sec. IV. Notice similar to that provided for in Section III may be given by the Diocesan Strategy Committee to any Rector or Minister-in-Charge of a Congregation, or Vestry or Board of Trustees, whose interests it may consider likely to be affected should the prayer of petition be granted.

Within ten days after the hearing, the Diocesan Strategy Committee shall advise the Bishop of its opinion in the premises and the reason or reasons upon which the same is based. In reaching its opinion the Diocesan Strategy Committee shall take carefully into account and be guided, but not necessarily controlled by the wishes of either the Executive Committee of the Convocation or Convocations concerned, or the Rectors, Vestries or other persons consulted. As soon as may be after the receipt of the opinion of the Diocesan Strategy Committee, the Bishop shall either grant or refuse the prayer of said petition and file with the Secretary of the Convention his decision in writing.

WHEREAS, the Bishop's Exploratory Committee of Agencies in the Diocese Serving the Aging and Chronically Ill has served diligently in pursuing its mandate from the last Convention; and

WHEREAS, certain unresolved problems still face the Committee in completing the assignment; therefore,

BE IT RESOLVED, that the Committee be instructed to pursue its consultations and study, and to draft further detailed plans and proposed methods of financing for the facility it contemplates for All Saint's Hospital for consideration by the next Convention of the Diocese of Pennsylvania; and

BE IT FURTHER RESOLVED, that any affiliation with any institution which would threaten the autonomy and Church related orientation of All Saints' Hospital would be unacceptable to the members of Convention.

Mr. Lea called upon the Rev. Hadley B. Williams to report on extension of Major Medical Coverage to retired clergy, see Appendix Q, page 190.

Following his report, the Rev. Mr. Williams moved the following resolutions which were seconded by the Rev. Dr. McKean and adopted:

BE IT RESOLVED, that pending the amendment of that portion of Section 8, paragraph 4, of Canon VII to provide for a Group Major Medical Insurance Plan which shall include both the active clergy and those retired clergy who were canonically resident and receiving compensation for full time work from ecclesiastical sources within the Diocese immediately prior to their retirement, and their respective coverable dependents, beginning July 1, 1962 each parish or mission shall augment its present contribution for its active clergy and dependents' coverage by 80% in order to share the estimated additional costs for a coverage which shall include all retired clergy and dependents as defined above; and

BE IT FURTHER RESOLVED, that prior to such time as this coverage is available, the funds resulting from this augmented payment shall be used in part to pay the proportionate premium of such active and retired clergy and their dependents as are now eligible for coverage under the plan. The balance shall be held against the greater cost of a more complete coverage which would also include all retired clergy and coverable dependents when such coverage becomes available. However, until the time that more complete coverage is available, the balance accruing may be disbursed by the Bishop to meet the Major Medical needs of such retired clergy as are not now covered at his absolute discretion.

BE IT RESOLVED, that the Committee on Canons be requested to present to the next Convention a revision of paragraph 4, Section VIII, Canon VII so as to change the basis of payment of the total premium cost of such more complete coverage for all canonically resident clergy from the present method to a pro rating of its total cost among parishes and missions only in the same manner as the Diocesan Assessment is calculated.

ERNEST W. PROWATTAIN, The Saviour

I have been thinking about the many changes that I have seen in the Diocese in the almost twenty years that I have had the privilege of being your Bishop. It is obvious that they have been much greater than I anticipated. Shortly after my consecration, a doctor said to me, "What are you going to do with All Saints' Hospital when it is no longer needed for tubercular patients?" I thought that I would not be concerned with that problem. You know what has already happened and you will be asked at this Convention to consider further changes on a large scale. This is only a small example of the many changes that have occurred. The Church ministers to a world that is neither static nor quiet. It is a world of sudden events, crises, shocking perils and most transient opportunities. Recently I

was talking with a man who is dealing with the question of automation. He said that the four day work week and the seven hour day were just around the corner, and that this was just the beginning. I asked him what he thought people would do with all of their free time. His reply was, "Most of them will use it to *refine their vices.*"

This bringst us squarely to the great opportunity which lies before the Church today, and will become increasingly urgent in the days ahead. The writer of the Second Epistle of Peter sensed it long ago. Facing great changes in life, he urges the Christians to consider what sort of persons they ought to be. He gives a detailed description of the life demanded by the days ahead. There is no neat and orderly arrangement. The verses have been compared to a piece of weaving. The warp describes the nature of the Christian life, while the woof indicates its motives. The Christian hope is a compelling reason for strenuous effort on the part of those who possess it. "Respond to God's gifts and promises by making every effort on your part to supplement your faith with virtue" — the opposite of refining your vices.

Supplement virtue with knowledge — intelligence, sagacity, practical wisdom, an understanding of God's will. To knowledge add self-control. Self-control disciplines desire and makes it the servant instead of the master of life. Self-control should lead to steadfastness, the temper which does not easily succumb when life is difficult; the assurance that all things can work for good when God is in control. This is not an attitude of dumb submission to things as they are, but a positive attitude of hopeful and creative steadiness which will continually make us ready for whatever God shall call us to do. In turn steadfastness contributes to godliness which is not a sentimental and emotional religiosity, but a strong quality of reverence for God and the practical phases of Christian living involved in Church membership.

Supplement godliness with brotherly affection (Οιλαδϝλοια). This means the love Christians should have for each other as members of the Church. Finally, brotherly affection must flow into love— that catholic large-heartedness which is characteristic of genuine Christian faith. It is love for all men such as was in the heart of Jesus. Shall the Church stand idly by allowing men to refine their vices or will it seek to lead them in the disciplines involved in becoming active communicants of the Church which will make life rich and effective.

The Church is judged by the kind of men and women it produces. If we are able to produce men and women who are truly Christian, we will do what the Church should be doing toward the reconstruction of civilization. Christian character will ultimately determine the outcome, regardless of the length of the work week. The heart of the problem is the heart of man. One of our clergy told me that in his opinion the future of the Diocese was not too bright because the Episcopalians in this area did not control the wealth that they once did. He said that the Diocese used to have a number of millionaires who would contribute large sums to make up deficits in the Diocesan Budget and that we no longer had them. I would like to remind you that in recent years there have been generous gifts made to the Diocese and institutions within the Diocese — such as the Church Farm School, the Philadelphia Divinity School, the Episcopal Community Services and others. Under the leadership of able laymen the Fund for the Endowment of the Episcopate has been increased in the last two decades several times more than in the previous fifteen decades of the life of the Diocese. Also within the past few years we have received the bequest from the Mr. and Mrs. Arthur Lysaght Nunns Estate which is the largest that the Diocese has ever received. The income from this bequest has enabled the Diocese to do some things that were badly needed and this will continue. To me of the greatest significance, is the way in which the parishes have responded to the missionary appeal with the result that we have had no deficits in the Diocesan Budget. The spirit shown by so many of our parishes is truly magnificent, and you, the clergy and laity of this Diocese, create that spirit.

Someone has said that the new immorality of our day is a decline in personal honor and integrity, that a good many people think that it is all right to cheat on their income tax. It is inevitable that the social conscience unsupported by personal honor will create a corrupt society. Our real character shows itself in how we do our daily work. Jesus always made people see the truth of the kingdom in terms of what they did day by day — the ploughman, the sower, the reaper, the shepherd, the fisherman, the housewife. Unless we experience the presence of God in the pursuit of our daily work, we are not likely to know Him on special occasions. Worship is the chief business of the Church, but worship that is not organically related directly, immediately and effectively to life in the world is not true worship. Worship is not an escape from the realities of life. I have heard it said that people go to church in order to live for

a time in a fool's paradise. Worship that is related only to what goes on within the four walls of the church building is utterly meaningless as far as the world and our life in the world is concerned. To use a popular term, it is *irrelevant.*

An article in one of our magazines stated that "among millions of Christians, religion is little more than a worthy mental habit, socially manifested in church attendance, often more sporadic and much less disturbing than regular visits to the dentist." I have no desire to gloss over the sins and failings of the Church, its pettiness and limitations. There is no doubt about the fact that often we are preoccupied with trivial things utterly irrelevant to the main issues of life. The Church must be relevant to the whole of life.

One of our own laymen has written a book in which he likens the Church to a symphony orchestra. The members of the Church are the players. An orchestra is not an accidental group of musicians, each twanging away at a tune of his own composition, and doing his best to drown out his neighbor. They are trying to play a score not of their own composition. The Church is a group of growing disciples trying to play together a composition of our Lord's. And God will never be satisfied until every man, woman and child awakes to the fact that he has an instrument in his hand and should be playing his part. The instrument is our life. Our Lord had only one life. So have we!

I would like to call your attention to what one man did for this Diocese. I refer to its first Bishop, William White. This year is the 175th anniversary of his consecration as the first Bishop of this Diocese. Bishop White was not only largely responsible for the formation of the Diocese of Pennsylvania, but also for the organization of the Protestant Episcopal Church in the United States of America. He was instrumental in drafting the Constitution of our National Church, and incorporating the note that the laity have an equal voice with the clergy in General Convention. William White brought the Episcopate to Pennsylvania in 1787; became its first Bishop; and two years later became the first President of the General Convention. What Bishop White did for this Diocese with his life should inspire us all to do our utmost for its future.

The changes in the next twenty years will probably be much greater than in the past twenty. Whatever they may be, our parishes have the opportunity of being strong dynamic parishes. If our love of Christ and our fellowman is real, we will not rest until everyone

has had the opportunity to know the love of God revealed in Christ Jesus and to become active communicants of His Church. Are our parishes filled with this faith and this desire? Plans, gadgets, techniques will not enable us to attain the goal. A genuine commitment to Christ alone will probe the depths of the human spirit and lift us to the heights. This Diocese will not just happen to become a stronger and stronger Diocese. Growth in Christian character doesn't just happen. If we are willing to make every effort to present Jesus Christ in the power of the Holy Spirit, men of Christian character will grow and develop in our parishes.

As you know, the Church sets the voluntary retirement of the Bishops and Clergy at age 68 and the compulsory retirement at age 72. I shall be 70 in July. I would like to announce that it is my desire to retire in July 1963. This will enable Bishop Armstrong at our Convention next year to take such steps as he desires, looking forward to his becoming the Diocesan in July 1963.

I haven't the words to express my gratitude to God for allowing me to be the Bishop of this Diocese. I am grateful for the good health which I have had. I think that I am right in saying that in the twenty years I have missed only one Sunday appointment because of illness. I am conscious of the fact that I have left undone many of the things that I had hoped to do. The hardest part of a Bishop's life is the decisions which he is forced to make and many of them have been very difficult for me. Once when I made a decision which displeased one of my clergy, he said to me, "The trouble is that the Canons of the Church put you in the place of God, and you are not that wise." I can assure you that often I have had to make decisions when I recognized that I was not wise enough to know whether they were good or bad. I have been upheld by the loyalty of my clergy and the friendship of you all. I pray that God will allow me to have one more year as your Bishop.

OLIVER J. HART,
Bishop

APPENDIX E

REPORT OF THE STANDING COMMITTEE TO THE 1962 DIOCESAN CONVENTION

At the stated meeting of the Standing Committee held on May 23, 1961, the Committee received the report of the Secretary of the Convention that the Convention had elected to the Standing Committee The Reverend James R. MacColl, and Francis J. Chesterman for a term of five years expiring in May, 1966.

The Reverend Philemon F. Sturges was elected President of the Standing Committee and Townsend Munson was elected Secretary.

The President appointed the following Committees:

Committee on the Episcopate: Dr. McKean

Budget Committee: Mr. Lee, Chairman; Dr. McKean, Mr. Drayton.

The Standing Committee gave its consent to the ordination and consecration of:

The Rt. Rev. Iveson Batchelor Noland, D.D., as Bishop Coadjutor of the Diocese of Louisiana.

The Rev. James Laughlin Duncan and the Rev. William Loffin Hargrave as Suffragan Bishops of the Diocese of South Florida.

The Rt. Rev. John Vander Horst, D.D., as Bishop Coadjutor of the Diocese of Tennessee.

The Standing Committee gave its consent to the election of:

A Suffragan Bishop for the Diocese of Albany.
A Suffragan Bishop for the Diocese of Connecticut.
A Suffragan Bishop for the Diocese of Long Island.
A Bishop Coadjutor for the Diocsee of Mississippi.
A Suffragan Bishop for the Diocese of Oklahoma.
A Bishop Coadjutor for the Diocese of Tennessee.

The Standing Committee withheld its consent to the ordination and consecration of the elected Suffragan Bishop for the Diocese of Long Island due, not to the qualifications of the elected Suffragan, but due to the manner of the election.

During the year, applications of the following men to be admitted as Postulants were approved:

Horace Raymond Baker	Harry S. Mills
John Douglas Clark	Peter M. Peterson
James L. Cockrell	John Arthur Phillips
C. Leighton Erb	William J. Walsh
Harry Lauer	Ray Woods

These men were all interviewed prior to acceptance as Postulants as they were in the older age group. Except in unusual circumstances, they will not be reinterviewed for Candidacy.

The applications of several men for Postulancy for the Perpetual Diaconate were denied, it being the feeling of the Standing Committee, as was expressed in the 1961 Report of the Standing Committee, that a high caliber of educational background was necessary and that this requirement had not been submitted in the cases which were disapproved.

Applications with respect to the Perpetual Diaconate presented recurring problems. Two Deacons of high intellectual qualifications requested advancement to the Priesthood without complying with the requirement of a year at a seminary. The Committee approved the applications as special exceptions.

The following Postulants were approved as Candidates for Holy Orders:

Floyd A. Adams	John Skain Mason
Horace Raymond Baker	Anthony J. Mattes
John Peter Black	Durstan R. McDonald
George Warren Busler	James Edgar Morris
Harry L. Casey	Peter M. Peterson
Raymond E. Cole, Jr.	Warren Ervin Shaw
William James Fischler	Otis Smith, Jr.
Paul Brady Kendall	Raymond G. Taylor, Jr.
William Morris Longstreth	William Leon Weiler
John Gilbert Macort	Lewis S. Whitby
Stanley E. Manwaring	Henry Neil Williams

The following Candidates were recommended for ordination to the Diaconate:

Jesse F. Anderson	Richard Cotton Maddock, Jr.
Edward Leonard Caum	Anthony J. Mattes
Joseph W. Hess, Jr.	Rudolph Alan Moore
Roland Evans Joseph	Peter M. Peterson
Paul B. Kendall	Kenneth Chester Slagle
John Earl Lamb	William Francis Taylor, Jr.
	Robert Alan Wright

Applications of several Candidates to be ordained Deacons with a shortening of time (less than one year) were refused as the Candidates were not 30 years of age and therefore Canon 34 precluded favorable action.

The following Deacons were recommended to be Priests:

The Rev. Jesse F. Anderson	The Rev. Edward Charles Loeffler
The Rev. James E. Gardner	The Rev. Anthony J. Mattes
The Rev. John Goslin Gray	The Rev. James F. Mole
The Rev. Ronald E. Josephs	The Rev. Gerald Wayne Richards
The Rev. Carl N. Kunz, Jr.	The Rev. William Francis Taylor, Jr.
	The Rev. Joseph E. Trimble, Jr.

The Rev. Robert Neal Hubbard was, with the approval of the Standing Committee, suspended from his ministry with such conditions as might be approved by the Bishop.

The Committee advised the Bishop that it agreed with his decision to suspend the Rev. William P. C. Loane for a period of eight years with the provision the suspension might be lifted with the approval of the ecclesiastical authority. Due to the suspension of Mr. Loane, the Rev. Andrew Mayer was appointed as a Trier.

During the course of the year, there were the usual applications under Diocesan Canon XII for the alienation or encumbrance of various Church properties. These were, for the most part, well

prepared, obviously in the best interests of the applicant-parish. It should be emphasized, however, that these applications should be discussed, before their submission, with the Administrative Assistant to the Bishops or with the Secretary of the Standing Committee.

The application of Trinity Church, Swarthmore, for approval of charter amendments was granted.

The application of St. Anne's, Abington, for admission as a parish was approved.

Due to the resignation of Mr. Edward Mann as Assistant Treasurer of the Diocese, Mr. John W. Thorn was named to fill the position until the next Diocesan Convention.

Due to the retirement of Dr. Long, the Committee, in exercise of its power under the Canons, elected the Rev. Alfred Vail to fill the vacancy in the office of Secretary of the Convention.

The Rev. Ralph K. Rogers was appointed as Assistant Secretary of the Diocesan Convention.

The execution of a revocable trust for the Church Foundation was approved to cover $30,000 of the balance in the Fund for the Support of the Episcopate.

At the request of the Church Foundation, the question was considered as to whether the Foundation might act as trustee of a trust for the benefit of the Houston Foundation. It was determined that the Houston Foundation as presently constituted is a benevolent or charitable undertaking of the Church, and therefore it was proper for the Church Foundation to undertake the duties of trustee.

Subject to the approval of the Bishop, the names suggested by the Episcopal Community Services for election to its Board were approved.

The Committee adopted a resolution that clergymen employed directly by the Standing Committee be fully covered under the Major Medical Insurance Plan for Clergy adopted by the 1961 Diocesan Convention.

A proposed survey by Day & Zimmermann, Inc., for relocation of the Church House was approved at an estimated cost of $5,000.

At the request of the Standing Committee, the Bishop appointed a committee, with General Milton G. Baker as Chairman, to consider the long-range property needs for diocesan headquarters.

A committee was appointed to plan for and arrange a suitable celebration in recognition of Bishop Hart's twenty years in the Episcopate.

Respectfully submitted,

TOWNSEND MUNSON, *Secretary*

APPENDIX F

REPORT OF THE TREASURER OF THE DIOCESE OF PENNSYLVANIA FOR 1961

The Annual Report of the treasurer of the Diocese of Pennsylvania is submitted herewith. A copy of the audit prepared from the Diocesan books of account and records by Charles S. Rockey & Co. is available for examination at the Church House.

Reflecting the general economic background, receipts were relatively slow during the earlier part of 1961. It was gratifying to all, however, that by year end the Parishes and Missions met the challenge of the Missionary budget which was $61,000 higher than the previous year. At fiscal year end (January 12, 1962) the following results had been achieved: (a) 82 Parishes and Missions paid their full accepted proportionate shares. (b) 81 overpaid by $22,020.93, and (c) 29 still owed $19,594.83.

After paying in full the pledged amounts to National Council, the sum of $34,818.05 was transferred to the unallocated Missionary Suspense Fund. Since it is principally from this fund that the unusual missionary expenses are met and new work promoted within the Diocese, its importance cannot be overestimated. The most significant use of these funds during the past year was an appropriation of $47,000.00 toward the building of St. Christopher's Church, Oxford. In addition this fund provided "working capital" to meet normal commitments for a period when budget receipts were low.

Advances made from the unallocated Missionary Suspense Fund were repaid as follows: St. Cyril—Coatesville repaid $300.00, St. John—Concord repaid $1,500.00, Epiphany—Royersford repaid $5,000.00, Good Shepherd—Hilltown repaid $4,159.00 and Trinity—Gulph Mills repaid $1,800.00. These funds consequently became available for further similar Missionary work in the Diocese and recording of their repayment seems most appropriate within this report.

The Diocesan Campaign for Capital Funds received a total of $101,318.44 of which $38,600.00 was distributed to the Philadelphia Divinity School and $57,900.00 to the Diocese. From this and prior accumulations the Diocese appropriated $25,000.00 for work at the Church of the Advocate, $40,000.00 to construct a rectory at Grace Church, Hulmeville, $32,000.00 towards new church for St. Christopher's, Oxford and $1,000.00 to assist in making alterations in the church at All Saints, Fallsington.

The year under review saw continued heavy pressure on the treasurer's department and we are particularly grateful to all members of the department for their careful work. One very positive result of the intensive review of an organizational study prepared by Hay Associates was the appointment of Mr. Robert F. Bole to the position of Executive Secretary for Administration. Mr. Bole coped with the many problems during the year with patience and facility.

One of the more difficult problems confronting the department resulted from the resignations of Mr. Frederick R. Drayton as Treasurer and Mr. Edward M. Mann as Assistant Treasurer, both after long years of capable and devoted work on behalf of the Diocese. The record of financial progress during their tenure is exemplary and in itself a lasting tribute to their efforts and service.

Respectfully submitted,

CHARLES L. RITCHIE, JR., *Treasurer*

JOHN THORN, *Assistant Treasurer*

REPORT OF DEPARTMENTS OF THE EXECUTIVE COUNCIL

DEPARTMENT OF FINANCE AND PROPERTY

The Department of Finance met bi-monthly except during the summer of 1961 and gave constant thought and study to the financial problems confronting the Diocese throughout the past year.

The Property Department is a sub-department under Finance which is charged with the surveillance of all physical property owned or under the control of the Diocese. The Chairman, Mr. Ronald J. McCarthy, renders a separate report which follows.

The Committee on Financial Safeguards, Mr. Donald A. Williams, Chairman, a sub-committee of the Department of Finance, meets at the call of the Chair. Mr. Williams renders a separate report which follows.

The Department notes with pleasure that all bills of the Diocese and its Expectation to the National Council for 1961 have been paid in full. The Diocese accepted the assigned share, set by the National Council, except for the amount requested for Capital Funds, on the condition that receipts would be sufficient to meet such obligations in full.

The Treasurer's Report is most gratifying showing in detail the breakdown of the budget, the previous balances, receipts, disbursements and closing balances. Mr. Charles L. Ritchie, Jr., who has been Treasurer since the last Convention and Mr. John W. Thorn who has been Assistant Treasurer since October, are greatly interested in the finances of the Diocese and are most helpful in the discussions which take place at the meetings of the Department of Finance.

The Program and Budget Committee with George F. B. Appel, Esq., as Chairman, held interviews with the heads of all Departments and scrutinized all items in the budget. Their proposed budget was submitted to the Department and became the basis for the budget under which we operated in 1961. We are greatly indebted to this Committee for a tremendous amount of work well done.

The Chairman and his predecssor Mr. Charles S. Rockey, who served during the first part of the year, express their appreciation to the officers of the Diocese and the members of the Department for their splendid cooperation.

THORNE SPARKMAN
Chairman

SAFEGUARDS FOR THE YEAR 1961

The Committee on Financial Safeguards has the duty to encourage and to help, wherever possible, the Parishes and Missions of the Diocese to use regular audits, at least annually, of their accounts. Every year, all of the Parishes and Missions are urged to maintain the policy of having these audits made, to give the Committee the name of their auditors and to supply its office with copies of the reports of such auditors. The importance of this practice is obvious. If this course were followed by every congregation, the general financial strength of the Diocese would be increased.

Again, for the year 1961, the response to the efforts of the Committee continues to be satisfactory. Replies reporting practices deemed by the Committee to be satisfactory were received from 141, or 73.8% of our Parishes and Missions. In 15, or approximately .78%, we have had replies which indicate an interest in what we are doing, but these cases have not yet supplied all of the requested information. Only in 35 cases, or approximately .183% have there been no replies whatsoever. All of this is far from perfect, but, year by year, there is a steady improvement. We are confident that, in the course of time, our patient efforts will bring us nearer to our goal of 100% response.

The other principal activity of the Committee is to use every opportunity to remind the Parishes and Missions of the importance of adequate insurance coverages. The Vestries and officers of our churches, like most people generally, seem to be looking at this field of their responsibilities more and more seriously. We believe that this situation in the Diocese is becoming stronger, but we will continue to urge still greater improvement.

DONALD H. WILLIAMS

Chairman

DEPARTMENT OF PROPERTY

We visited St. Christopher's, Oxford with the Rev. Peter Vander Heil, Dean of the convocation and Mr. Addis our Architect to discuss plans for their new Church.

Christ Church, Eddington started a new rectory which was completed at a cost of about $40,000.00. There was some disagreement over this property which resulted in the choice of a different architect. Plans for a new Church costing about $132,000.00 have since been drawn and work is about to start.

All Saints, Fallington has been growing, which made it necessary to alter the former Church Building. This has been completed at a cost of $27,000.00 by Roland Addis and is now ready for service.

A new rectory was designed and completed by Martin Kneedle for Grace, Hulmeville at a cost of $40,000.00 which is a great benefit to the parish.

The new Parish House which was begun at Epiphany, Royersford last year was completed for about $70,000.00 during the year.

A number of alterations and repairs have been entered into both at the Church House and at various Parishes throughout the Diocese.

Respectfully submitted,

RONALD J. MCCARTHY,

Chairman

THE DEPARTMENT OF COMMUNICATIONS

Diocese of Pennsylvania—1962

The Church News . . .

The "bold experiment" can be said to have passed the test. The change from slick paper magazine to tabloid newspaper, instituted in January 1961, has been an overwhelming success. By year-end the paid circulation was about 55,000 with only one parish in the Diocese not participating in the distribution plan. For the third time in the 50 years of the periodical, a September issue was published. (The other years were 1939 and 1940.) In the present year, there will be separate May and June issues, making it a ten-times-a-year paper instead of the eight-issue project as launched. The original 12-page effort has become 16 pages, attesting to the acceptance by readers as the demands for editorial and advertising space continue to mount. Both readers and advertisers must be satisfied.

An editorial assistant was authorized last November to allow the executive director to fulfill his complete assignment, the expanded activity in other work of the Department.

Radio and Television . . .

Expanded activity in this area is being increased further this year. Four 30-minute television programs of our own creation were shown on Channel 3 in 1961. Two are taped to be shown in April 1962. Through the contacts made by the Department, there will be more camera coverage of Episcopal news currently and in the future.

There was greater use of news releases on radio and greater use of radio programs distributed by National Council. This area will be diligently pursued.

Speakers' Division . . .

This program was brought into the Department of Communications in the last quarter of 1961, under the direction of the Rev. Andrew Mayer.

Outstanding speakers who have come into the Diocese have been better publicized and greater use of their time and talents has been accomplished because of pre-planned schedules. Speakers will be obtained for specific occasions. Speakers engaged to come into the Diocese—when known in advance—will be placed in other areas to advantage.

Promotion . . .

Programs of Diocesan-wide interest were promoted through all possible media and those directly affected have expressed gratitude and thanks. There has been more outside newspaper space opened to releases from this Department. The area of specially prepared feature articles is being increased through the efforts of this Department, not only in newspapers, but radio and television as well.

Convention Journal . . .

The task of publishing the JOURNAL is being assumed by this Department for the first time.

Walter N. Connors has been the very able executive director of the Department and editor of *The Church News* since January 1961. The Rev. William J. Alberts, vice-chairman of the Department and business manager of *The Church News*, and George Hopkins, member of Executive Council and director of employee publications for Atlantic Refining Company, together with the chairman of the Department, have served as the executive board directly planning the expanding work being accomplished.

The efforts of the Department are being felt throughout the Diocese and we are formulating plans for area workshops to help the individual parishes with their communications programs. New equipment soon to be installed will improve the quality of communications leaving the Church House. We look forward to continuing the development and expansion of our services to "reach" Episcopalians, non-Church-going Episcopalians, fringe Episcopalians and the un-Churched.

HARRY S. LONGLEY, *Chairman*
Department of Communications
Diocese of Pennsylvania

DEPARTMENT OF MISSIONS AND CHURCH EXTENSIONS

REPORT OF THE DEPARTMENT OF MISSIONS

The year 1961 has been a busy and interesting one in the Missionary work of the Diocese. There is an increasing concern on the part of the clergy and laity of the Diocese that we work and plan as wisely and as efficiently as possible and, as a result of this concern, two of our Convocations recommended the establishment of a Strategy Committee of the Department of Missions. This Committee has been established under the Chairmanship of the Administrative Assistant to the Bishops, the Rev. Alfred Vail, and is composed of the Deans, one layman, and one clergyman from each of the Convocations together with two representatives from the Episcopal Churchwomen of the Diocese. The Strategy Committee will concern itself not only with new sites and expansion of existing missions but evaluation of the mission and will offer its counsel to any of the parishes that would ask for their help.

Two missions of the Diocese have become parishes—Prince of Peace becoming a parish at the last Convention and holding a great service in which 600 people participated in celebrating the event in June; Trinity, Gulph Mills, also achieving parish status and entering their new life at the last Convention. Holy Sacrament, Highland Park, has reassumed parochial status and Bishop Hart has instituted the Rev. Charles F. Kelbaugh as Rector. Bishop Hart appointed Mr. Anthony J. Mattes, a former Baptist minister who is preparing for Episcopal orders, in charge of Ascension Mission, Parkesburg and St. John's, Compass. Mr. Mattes will live in Parkesburg and have his office in Compass. A sacristy and study are being built at Parkesburg and asphalt tile is being laid in the basement at Parkesburg. The Rev. Harold Hopkins resigned as Vicar of St. Anne's, Abington, to go to York Harbor, Maine. We are sorry to see him leave this Diocese and wish him well in his new work. The Bishop appointed the Rev. Herbert E. Rowe as Vicar of St. Anne's Abington. The Rev. David B. Kenny resigned as Vicar of St. Luke's, Eddystone, to become Rector of St. Martin's, Marcus Hook. The Bishop appointed Mr. William Davis, middler at the Philadelphia Divinity School, in charge of St. Andrew's, Belmont Hills. The Bishop appointed the Rev. James F. Mole, Deacon, in charge of St. Nathanael's, Philadelphia.

After a lifetime of service in the Diocese of Pennsylvania and to the Diocese of Pennsylvania, the Rev. Charles H. Long, D.D., was retired from the several positions which he held after almost 20 years of service in the Church House. The Rev. Alfred Vail was appointed the new Administrative Assistant to the Bishops to preside in what is familiarly known as "Dr. Long's office."

The Department took a great step forward in recommending that $20,000 a year be placed in the Budget for new sites, beginning in 1963—any unexpended balance in any year to be retained for this purpose rather than become a lapsed balance. This has been a need of which the Diocese has been aware for many years.

To touch upon a few high points, a new rectory, costing $35,000, has been erected for Grace Church, Hulmeville. Grace Church has raised $6,000 for a new organ which has been paid with the approval of the Department of Missions. The new St. Christopher's Church in Oxford, Pennsylvania, is in process of being built, and the present members have pledged $15,000 toward this church. An addition to All Saints, Fallsington, which will slightly more than double the capacity of the church is being built at a cost of $25,000 and should be ready in 1962. Christ Church, Eddington, has been given permission to get firm bids for the building of their new church as they were forced to move from their present site due to condemnation proceedings issuing from the construction of a new road. The Diocese has received some $95,000 toward the building of a new church.

Dean Trauger was ill during a good portion of last year but I am glad to be able to report that he has recovered and has returned to full vigor. The Rector of Christ Church, the Rev. Ernest A. Harding, D.D., suffered a heart attack from which he has made a good recovery. The Rev. Frank Williamson, Jr. was hospitalized for several weeks and he, too, has made a good recovery and is back in his church at St. Michael's, Yeadon. For these three things, we give thanks to Almighty God.

REPORT OF THE CONVOCATION OF CHESTER

For The Year 1961

Considerable work was done by our various missions during the year 1961 to improve their properties or put the present properties in good condition.

At the rectory of St. Luke's, Eddystone, gutters and rain spouts were installed. At St. Mary's in Chester extensive repairs on the vicarage and church building were completed. At St. Andrew's, Belmont Hills, the new approach to the church was finished and new sidewalks were laid. At the Church of the Ascension in Parkesburg a new office was built in the Parish House and work was started on renovating the old sacristy and an office was built in the rectory at St. John's, Compass. These are only a few of the projects carried on during this year — some of them paid by the congregations themselves — some of them finished with the help of the Department of Missions and the Women of the Convocation.

Ground was broken for the new Church of St. Christopher in Oxford and this building should be ready for services on Palm Sunday, 1962. It is altogether a lovely building and while the Diocese was mainly responsible for financing this unit, the congregation themselves raised $25,000 toward the building.

The rectory at St. James, Green Ridge, was sold. This seemed advisable due to the fact that the building is old and in very poor shape, and we were faced with a sewer assessment as well as having to lay sidewalks around our entire property. The proceeds of the sale are being placed with the Church Foundation and we hope that in the near future we will be able to build another rectory on the site owned by St. James.

During the year the Rev. William X Smith replaced the Rev. David B. Kenny at St. Luke's, Eddystone. Father Kenny continues to be in our Convocation as rector of St. Martin's, Marcus Hook, and also is helping us with the oversight of the work at St. Luke's, Highland Gardens, where the Rev. Lewis H. Worrall, a Perpetual Deacon, has replaced the Rev. Robert Owen.

Mr. Richard Maddock is the Seminarian in charge of St. Francis-in-the-Fields' Mission, while Mr. William Davis replaced Mr. Robert Clark at St. Andrew's, Belmont Hill. The Rev. Hendrick B. Koning from St. John's, Bala, is helping us in conducting weekly

Communion Services. The Rev. Anthony J. Mattes continues as vicar in charge of Ascension, Parkesburg, and St. John's, Compass. The Rev. Joseph Laird continues at St. Mark's, Honey Brook, and St. Mary's, Warwick. The Rev. Cecil Cowan is continuing his work at Ascension, West Chester, and St. Cyril's, Coatesville.

The Rev. Richard Hess who has been ordained to the Priesthood during the year is the vicar at St. Christopher's, Oxford, and Dr. John R. Reeves, who has been the vicar at St. James, Green Ridge, since October 1, 1955, is continuing his work there, while Father Kent is the vicar at St. Mary's, Chester.

It has been a very gratifying year for the Dean to work with this excellent group of vicars and we feel that all along the line our missionary work in this Convocation has shown healthy signs of doing good work in the communities in which the various missions are located.

Our last report from the Property Committee indicates that our properties are in good shape and judging from the Parish reports the attendance at the various services has been very gratifying. There also has been a marked increase in the number of Confirmations, particularly in Ascension, West Chester, and St. Christopher's, Oxford. Four persons were confirmed in St. Francis-in-the-Fields. This, our newest mission, reports an average Sunday attendance of 58. The congregation continues to have their meetings in the Grange Hall and we sincerely hope that in the near future, we will be able to erect at least one unit so that this mission may continue to grow and receive the community.

The Church Schools of Ascension, Parkesburg; St. Christopher's, Oxford; St. James, Green Ridge; and St. John's, Compass, also had a very strong year.

Again, may I end my report by expressing my deep appreciation for the help and support I have received from the various laymen and women in this Convocation and in particular the members of the Executive Committee of the Convocation and Mrs. T. Truxton Hare, Jr. and her committees of the Women of the Convocation.

Respectfully submitted,

Peter C. Van der Hiel, Jr.

EPISCOPAL CHURCHWOMEN
CONVOCATION OF CHESTER

Spring Meeting, 1962 — Date: Thursday, April 26th. Place: St. George's Church, Ardmore.

Nominations: The nominating committee submits the following slate for vote at the Spring meeting: President: Mrs. Victor G. Perrin, St. George's, Ardmore. Treasurer: Mrs. Albert C. Openshaw, Redeemer, Springfield. Area Executives: one each for Northern, Central and Southern Sections to be announced.

Additional nominations may be submitted to the committee until March 31st. Address Mrs. Isaac Kershaw, Jr., Chairman, 610 Oxford Road, Bala-Cynwyd, Pa.

Spring meeting came to Church of the Redeemer, Springfield. Persons from 51 parishes celebrated Holy Communion together. Bishop Hart spoke to us. A top-level panel requested volunteer assistance for Church Work Among the Blind, (Mrs. H. J. Gideon, director), The Children's Center (Miss Lena Brosius, director), The Smith Memorial Home for Convalescents (Miss Susan B. Lewis), House of Rest for the Aged (Mrs. James B. Ludwig). These ladies know whereof they speak.

After lunch Dean Van der Hiel gave his report on Missions in the Convocation. We received the Rev. Anthony Mattes' thanks for remodeling his office at St. John's, Compass. The Rev. V. R. Hess showed a model of St. Christopher's, Oxford, now almost completed. We voted $2000.00 to St. Andrew's, Belmont Hills, for their parking area. Reports from Diocesan Departments were made. Mrs. J. Ross requested a wheel-chair and a walker for work at Fair Acres, Lima. Many thanks to the Rev. Norman T. Mason, rector, and Mrs. Aisenbrey and her cohorts for all their help in making this full meeting go well.

Fall meeting was at Trinity, Swarthmore. The Rev. Layton Zimmer, rector, and Mrs. Robinson and her kind helpers made us welcome. Bishop Hart told us of 1961 General Convention of the Church. Mrs. Siter Owen, our diocesan president, and Mrs. Charles B. Allen, Department of Christian Education, took us to Triennial. The Dean gave us a glimpse of Convention, and his invaluable report on the Missions. We voted $500.00 to St. Mary's, Chester, for rectory repairs.

Requests have been made to shorten Convocation meetings. What would you leave out? Remember, "the object of this Association shall be to create and foster among its members a wider in-

terest in the whole Mission of the Church, primarily within the Convocation." Would you leave out Communion? The Bishop's message? The Dean's report? Calls for service such as the Spring panel brought? Precious information like Triennial news? Time to vote for new projects? Ascension, West Chester, needs a useable basement in the rectory, St. Francis, Goshenville, needs a church building.

Your warm interest makes Convocation alive, and we have things to do. Could we not do twice as much? With God's help it goes on, and I thank all deeply who have taught us and prayed with us and worked with us these four years.

Affectionately,

WINIFRED T. HARE
President

CONVOCATION OF GERMANTOWN

All Saints' Fallsington. Just before the start of the new year the Lingle were moved into the "Kelly House" all nicely refurbished, thanks to a loan from the St. Paul's, Chestnut Hill, Centennial Fund and it thereby became All Saints' Rectory.

In May the Vicar, Mr. Lingle announced that he had accepted a call to become Rector of the Church of the Holy Comforter, Drexel Hill. The news was received with great sadness by the whole church and by the entire community. In his short ministry in Fallsington, Mr. Lingle had brought new life into the mission, greatly increasing its membership and the attendance at services, and before he left arranging to literally double the size of the church building. With a gift of $25,000 from Capital Funds a contract was signed with a contractor to extend the length of the church to twice its length, build a boom under the new part, and widen the Chancel. The work is nearing completion as this is written, and is most attractive and will greatly enhance the usefulness of the building.

In September Mr. Curtis Hanners, a candidate for Holy Orders from the Diocese of Washington took up his duties as Vicar. He was ordered Deacon in November, and under his guidance the work is going forward. The mission is most grateful to the Rev. Wm. R. McKean, Jr., of Grace Church, Hulmeville, for coming to All Saints' once a month to bring the Sacrament.

Christ Church, Eddington. Plans for the new church by Mr. Addis, the architect, were adopted and put out for bids. The state has made payment of over $95,000 dollars in its condemnation procedures against the parish house, and the vestry is hopeful that the new church may be available by the beginning of next year.

In the mean time services are continuing to be held in the old church and the church school is meeting in various and sundry places in the community.

Grace Church, Hulmeville. The vicar, Mr. William R. McKean, and his family were able to move into the new rectory, and report themselves emminently satisfied with it. Real progress has been made towards self support and Grace should soon be able to apply for parish status.

St. Phillip's, New Hope. Father Stifler continues to carry on his duties as vicar and things are going along very nicely.

St. Stephen's, Bridsburg, has continued under the ministrations

of St. Mark's Church, Frankford, the Rev. Albert F. Fischer, Jr., rector, and is exhibiting a remarkable *Esprit du corps* considering their situation. The time is fast approaching when the church will have to be torn down to make way for the Delaware Expressway and the people of the mission merged with St. Marks.

Respectfully submitted,

P. F. STURGES
Dean

CONVOCATION OF NORRISTOWN

The Convocation of Norristown has had a fine year in 1961. During the year the vicar and people of Trinity Church, Gulph Mills had the thirilling experience of becoming a Parish and the Convocation is very proud of them and all they have done under the able leadership of the Reverend Herbert H. Beardsley. Our work of planning new mission sites in our Convocation under our committee and the leadership of the Chairman George M. Tracy is progressing by studying and investigating this great need in our area.

Epiphany Mission, Royersford. The Reverend John C. Kolb and the people of Epiphany are extremely happy that the new Parish House Building is now complete and in full use. The Church School is growing faster and doing a much better piece of work in this modern building and the organizations of the mission are enjoying the bright well equipped rooms.

Church of the Good Shepherd, Hilltown. The Reverend Frederick B. Halsey and his people have experienced another year of work and growth and they have made a number of repairs and improvements on the outside of the Church building all of which has been completed and paid for.

Saint Anne's Church, Abington. Under the fine leadership of the Vicar, the Reverend Herbert E. Rowe, Saint Anne's, has completed all its plans to become a Parish at the Diocesan Convention in May, 1962. This is the result of the hard work and generosity of the Vicar and his people of Saint Anne's and of those associated with the mission over a period of years and we bless them all for it. To Father Rowe and his people we say "the Lord go with you in your new status and God Bless you always.

The Dean takes this opportunity to add the following: The Reverend Harold A. Hopkins resigned as Vicar of St. Anne's shortly after the new Church Building was Consecrated and we pray for God's special blessing on him in his new work in the Diocese of Maine.

We had two very good meetings of Convocation during the year and the whole Convocation is very much alive to the new opportunities which are ahead for us in this fast growing area.

What can we say but a very warm "thank you" to the Women of the Convocation of Norristown for all that they have done this past year to make our ever expanding work grow to meet the opportunities which are before us. They plan, work and raise money to help with all our work, and their meetings this past year were an inspiring part of our work and we pray as always "God Bless them."

CONVOCATION OF NORTH PHILADELPHIA

The Spring meeting of the Convocation was held at St. George's, Richmond. A new schedule was inagurated in which the women who met at four-thirty came in to join with the men at five-thirty for a joint meeting. The Rev. Robert Deacon presented with the aid of well-prepared charts the population trends, growths and declines, in our Convocation along with the number of communicants in the parishes and missions. This was followed by a fine supper prepared by the women of St. George's and served by their young people. The meeting closed with Evensong.

The Fall meeting was held at St. Luke's Church. This being right after General Convention the topic naturally was centered around the Detroit proceedings. At the combined meeting of men and women we heard from Mrs. Fox, one of the delegates to the Women's Auxilliary. She illustrated her fine talk with slides of the convention. After Supper the preacher at Evensong was Bishop Armstrong. We all helped St. Luke's celebrate their Patronal Feast.

Again I wish to commend Mrs. Frederick Cooper on her leadership among the Convocation Women.

Since this will be my last resume of Convocation, having served eight years as Dean, I take this opportunity of thanking all who helped make these years pleasant.

Sincerely,

DAVID O. TRAUGER
Dean

REPORT FOR THE EPISCOPAL CHURCHWOMEN OF THE NORTH PHILADELPHIA CONVOCATION FOR 1961

The year 1961 saw three good meetings of the Women of North Philadelphia Convocation.

In January, after Holy Eucharist and breakfast at the Church of St. James the Less, the Women enjoyed a skit given by some of their number about the work of the Rev. William Eddy at Hokkaido University in Japan.

The April meeting was held at St. George's Mission, Richmond, where Mrs. Edward N. Hibberd, Diocesan Vice-President in charge of Promotion, spoke about the Church's program as applied to the parish group.

A new type of offering was explained at this meeting by Mrs. William D. Turner. The "Calendar Rally" has been successful in her parish and she felt it could be applied to the individual parishes in the Convocation with some good effect just as to the individual parishioners. The method is simple. Each parish chooses a month of the calendar for receiving contributions and passes envelopes around to the Women, each of whom chooses a special day on which to fill the envelope and remember the Convocation. At the end of the month the money may be sent to the Convocation Treasurer or be saved and presented at the next meeting when a thanksgiving is made.

At the October meeting the "Calendar Rally" offering presented proved the largest ever given. This represented half of the parishes

of the Convocation. The other half is to be given at the next meeting.

The October meeting was held at St. Luke's Kensington, and Mrs. Charles B. Allen, Vice-President of the Dept. of Christian Education, spoke about the Triennial meeting in Detroit, Mich., to which she was a delegate.

The devotional life of the Convocation was furthered by a Lenten Quiet Evening in March, held at St. John's Free Church and led by the Rev. H. Roberts Lorenz, Rector of St. Luke's Kensington.

Attendance at all the meetings except the January one represented about two-thirds of the parishes of the Convocation. It was voted in October to drop the January meeting for the present.

REPORT CONVOCATION OF SOUTH PHILADELPHIA

The year 1961 was important to two of the churches in the South Philadelphia Convocation.

In 1761 St. Peter's Church was founded at Third and Pine Streets. During the year 1961, continuing a pattern set through the years of Christian ministrations to the community—a community extending far and wide—this great church celebrated it's 200th Anniversary. As part of the celebration the Diocesan Convention opened the second day of deliberations with a Service of Holy Communion in St. Peter's Church. Following the service the business of the Convention continued at The Church of the Holy Trinity.

Early December 1893 under the guidance of the Rector and Vestry of The Church of the Holy Trinity, a Sunday School was organized at Twenty-third and Fernon Streets. This was called Prince of Peace Chapel. In 1896 a large parish house was built, and in 1906 a 'Chapel' with a seating capacity of 650 and choir. The second great event of 1961 was the admission of Prince of Peace Episcopal Church in union with the Diocese. On Sunday afternoon, June 4th, a service of "Thanksgiving" was held by the congregation and friends. The chapel-church was filled to capacity. The Rt. Rev. J. Gillespie Armstrong, D.D., preached the sermon. The Vicar, the Rev. J. Aubrey Cragg, became the first Rector of the parish.

During the year 1961 the Rev. Harry S. Longley, D.D. resigned as Rector of The Church of the Holy Trinity, and was succeeded by the Rev. Cuthbert Pratt, D.D.

Convocation meetings were held as usual. The spring meeting was held in Prince of Peace Chapel, the fall meeting in the Memorial Church of St. Paul, 15th and Porter Streets. Bishop Armstrong was the principal speaker for the men's meetings. During the spring meeting the Rev. Thomas Parker, D.D. was elected clerical member of the Convocation to the Executive Committee of the Diocese. Mr. Frederick P. Mount, Jr., Prince of Peace, was elected lay member to the Council. Officers re-elected were; Dr. Raymond C. Snyder, secretary and Dr. Stephen Baughn, treasurer. Convocation Property Committee; Mr. Benjamin F. Ashwood, Prince of Peace, Mr. Roy Walters, St. Paul's, the Rev. John R. Logan, Jr.

The Dean appointed two special committees during the fall meeting. One to work with the Rector and Vestry of St. Peter's Church in order to find if there is a possibility of the Convocation using St. Peter's Boys Camp, located in the Poconos. The other was a committee to study the possibility of having Lenten services on a Convocational level.

On a morning, the week of Thanksgiving Day, an explosion occurred in the heater of St. Elisabeth's Mission. Damage was quite extensive, but fortunately covered by insurance. This included the following: repair organ, $895.00; heating system, $776.00; cleaning smoke damage, $1,500.00; carpentry charges, $150.00; repair broken window panes, $60.00; cleaning of Altar Frontals and Linens, $175.00; replace loose tiles on roof, $44.00. Total damage, $3,600.00. Damage to heating system was repaired in time to have their regular Thanksgiving Day services.

The Department of Missions of the Diocese established a Strategic Committee. Members appointed from the South Phila. Convocation are; the Rev. Dr. Parker, St. Paul's Church and Mr. Martie Collins, St. Simon the Cyrenian.

I do want to take this opportunity to express my gratitude to Mrs. M. Berretta Marston, President of the Women's Aid to Convocation, and to all the very active officers. Under the leadership of Mrs. Marston new, and exciting things are happening. During recent meetings attendances have been increasing nicely, and interest among the women in the Convocation is growing.

REPORT OF THE WOMENS AID TO THE CONVOCATION OF SOUTH PHILADELPHIA

The first meeting was held at Prince of Peace Church on Tuesday, October 24, 1961. After prayer service, conducted by Mrs. Golden and a short business meeting, we heard Mrs. Robert C. Lea, Jr., Vice-president of the Department of Prayer and Worship. Mrs. Lea gave us a wonderful talk on the Triennial Convention in Detroit—her talk made us wish we all could have been there! After Evening Prayer, we had a delicious dinner, prepared and served by the Women of the Prince of Peace.

The second meeting was held on Tuesday, January 13, 1962, in the Packard Memorial Room in the Church House. After prayers and business, we had an exciting and thorough tour of the Church House and the Churchwomens' Building—Mrs. Fox and Mrs. McIlwaine have our deepest thanks for arranging and conducting us in so fine a way. After all this, the Women of the Church of St. Luke and the Epiphany served us a beautiful tea, which was greatly enjoyed by all and for which we give them many thanks.

The third meeting will be held on April 24 at Gloria Dei. The speaker will be Mrs. Hinton, from the Episcopal Community Services.

The Womens Aid of the South Philadelphia Convocation contributes to the following; The Chinese Christian Church and Center, The Elizabeth Price Martin League (Philadelphia General Hospital and the May Fete), The Philadelphia Divinty School, St. Elizabeth's Church, Daily Vacation Bible Schools, Christmas Treats to St. Philips' Church and Church of the Crucifixion.

REPORT OF THE CONVOCATION OF WEST PHILADELPHIA

The Spring Meeting of The West Philadelphia Convocation was held at Epiphany Church, Sherwood, April 27, 1961, beginning with a service of Evening Prayer at 4:30 P.M. Officiating at the service were the Dean and The Rev. Joseph R. Clair, Rector of Epiphany Church.

The Property Committe reported that St. Titus Church and property had been sold. The money received from this sale will be held by the Department of Missions for the development of future work in the Eastwick area. The Vicar of St. Cyprian's Mission, Eastwick has moved into a new residence located at 6218 Ellsworth Street, Philadelphia, because of the poor condition of his former residence and the necessary expenditure of a considerable sum of money to put it in livable condition. Repairs were completed in the Vicarage of St. Monica's Church, and a new furnace installed at St. Andrew's Church, West Philadelphia.

The Rev. Ralph Rogers, Chairman of the Strategy Committee submitted a report giving statistics relative to the parishes and

missions of the Convocation. The change of location for St. Cyprian's Mission from the Eastwick area was considered. Inasmuch as a suitable site could not be located in the West Philadelphia area, it was decided that the present site of St. Cyprian's be maintained pending the re-development of the Eastwick area.

The Rev. David Gurniak submitted his resignation as secretary of the Convocation as he would be leaving the Diocese to assume the Rectorship of a Church in New Haven, Connecticut. Elected as secretary was The Rev. Frederick M. Brooks, Rector of The Church of The Saviour.

The Convocation elected The Rev. Paul Washington, Vicar of St. Cyprian's Mission, as Clerical Representative to the Executive Council, and Mr. Claude Gilkyson, of St. Mary's Church, Hamilton Village, as Lay Representative.

Mr. Walter Connors of the Diocesan Department of Communications presented a report on the activities of this department and urged the Convocation to make use of the facilities of the same.

The speaker at the evening session was Mr. Leo Molinaro, representative of The West Philadelphia Corporation, who presented an illustrated lecture on the area surrounding the University of Pennsylvania and plans for its future development.

The Fall meeting was held at The Church of The Holy Apostles and The Mediator, on Thursday, October 19, 1961, beginning with a service of Evening Prayer at 4:30 P.M., conducted by the Dean and The Rev. John Bomberger.

A letter of appreciation from The Rev. Philip Russell, Vicar of All Saints Church, Ladysmith, Natal, South Africa, was read, expressing his thanks for an honorarium received from the Convocation. The honorarium was presented for the services Father Russell rendered to St. Andrew's Church, West Philadelphia and the Church of The Advocate.

A communication was read from Mr. Coates of the Department of Missions stating the sum of $20,000 had been received from the sale of St. James Church, Hestonville, which sum will be invested, and used for future work in the Convocation. It was also stated that $33,700,00 had been received from the sale of St. Titus Mission, Eastwick, and will be reserved for future development in that area.

The Rev. Matthew Davis reported that the choir vestments at St. Monica's Mission had been destroyed by vandals. A donation of $200.00 was given to Father Davis for the purchase of new vestments.

An honor was bestowed upon The Rev. Paul Washington, Vicar of St. Cyprian's Mission, Eastwick, in that he was selected to represent the Diocese at the consecration of The Rev. Dillard Brown, newly elected Bishop Coajutor of Liberia. The consecration service was held at the Washington Cathedral, Washington, D.C.

It was announced that a joint service involving the congregations of St. Monica's Mission, and The Church of The Atonement, would be held on Thanksgiving Day, at The Church of The Atonement. The Dean will also attend and take part in the service.

At the evening session reports were presented by Mr. King Rogers and Mr. Edward Morrison, representatives of the Young People's Fellowship. The young people of the Convocation were urged to take a more active part in the Fellowship program.

The main speaker at the evening session was the Bishop Coadjutor, The Rt. Rev. J. Gillespie Armstrong who presented an inspiring address on the General Convention held in Detroit in September. The chief emphasis of Bishop Armstrong's address was on the Ecumenical Movement which is in the forefront of our thinking at the present time.

Although there are many difficult situations in the Convocation, I have been most encouraged by the devoted and dedicated leadership of the clergy and laity. It is through such dedication that we will go forward and make our witness for the advancement of God's Kingdom in this area of His Church.

The Women's Auxiliary to the Convocation has done a fine piece of work during the year of 1961. To the officers, Mrs. W. Howard Riegner, Chairman, Mrs. E. E. Briggs, Vice-Chairman, Mrs. J. Flossie Reddick, Secretary, and Mrs. Robert Kidd, Treasurer, thanks and appreciation are extended, and also to the other members of this important branch of the Convocation.

NATHANIEL C. ACTON
Dean

REPORT OF THE WOMEN OF THE WEST PHILADELPHIA CONVOCATION

January 1, 19, 1961 was Education Day for the women of the Convocation. It began at 10:30 A.M. with Holy Communion in the historic Church of St. James, Kingsessing. The Rev. James Gilbert, rector, was the celebrant.

A brief business meeting followed.

After a box lunch (beverage and dessert was provided by the woman of St. James) Mr. Rudolph Moore told of his experiences in Mexico. He had pictures to illustrate his talk. Mr. Moore is a student of the Philadelphia Divinity School and a Parishioner of St. James. In spite of blizzard conditions weatherwise, there was a fair attendance. The offering received at the service was given to Dean Lucas of the Philadelphia Divinity School for his Discretionary Fund.

The Spring Meeting was held on April 27, at Epiphany, Sherwood. Following the service of Evening Prayer the women met in the Parish House.

Mrs. Edward N. Hibbard, Vice-president in charge of Promotion, was present. She was most pleased to see every parish in the Convocation represented. The speaker was Miss Milo Upjohn. Miss Upjohn is director of Family counseling Service of the Episcopal Community Services of the Diocese. She explained the many facets of the services offered.

On Oct. 19 the Fall Meeting was held at the Church of Holy Apostles and the Mediator. Mrs. Stanley Rogers was the speaker. Mrs. Rogers is chairman of the Ecumenical Committee.

Coin cards and a "Luncheon is Served" were our means of raising funds. We were able to give St. Monica's $200 toward the replacement of choir gowns destroyed by vandals.

At present, work in the Convocation has been interrupted by the Eastwick Re-Development Project. St. Cyprian's who has suffered most by this change, continue their interest and devotion. We look forward to the time when we can be of help to them.

DEPARTMENT OF CHRISTIAN EDUCATION

Annual Report of 1961

The past year will be remembered as the year of the snows. Several department-sponsored events had to be cancelled while other events were poorly attended because of transportation difficulties. Even the highpoint of the year — Bishop Hart's clergy conference (Advance Adult Education Program) at Mt. Pocono — awoke the first morning in a snow storm!

"Liturgy and Worship" presented by the Rev. Edward N. West was the milieu in which Bishop Hart's clergy conference grappled with interpretations of the ministry of the laity. The department expresses its heartfelt gratitude to Bishop Hart and to the national Department of Christian Education for making this conference on adult education possible. The Rev. Edward T. Adkins of the Adult Division and the Rev. William J. Coulter of the Leadership Training Division were stimulating in their leadership of this helpful conference.

Reports of the various divisions of the department follow. The chairman would report briefly on several items affecting the entire department. Miss Emily L. Stanford, Assistant to the Executive Secretary, attended the Training Program for Parish Assistants in Christian Education at Cambridge, Mass., this past summer. This experience — an intensive training program under the auspices of our national department has benefited the department in that Miss Stanford's ministry has been enriched and the diocese has another trained leader. Also, in order to relieve the work burden and pressures on the office staff and therefore enable them to better serve the diocese, Mrs. Raymond H. Yeldham was hired to be in charge of Audio-Visual aids.

The chairman represented the diocese at a Provincial Conference on Laymen's work held at Roslyn, Virginia, in April. The conference was significant in that it comprised representatives both national and diocesan in Laymen's Work, Episcopal Churchwomen, Christian Education and Christian Social Relations. The difficulties of a cooperative effort among all divisions and departments were manifest as it is on the diocesan level. "Breakthroughs" are being made and the chairman rejoices that the Bishops' weekly staff conferences are at least one step in this direction.

The Adult Division chairman, the Executive Secretary and the chairman participated in the annual Third Province Conference held at the College of Preachers. Miss Emma Lou Benignus of the Adult Division and the Rev. David R. Hunter, national chairman, led the conference in a stimulating discussion of presenting the Church's Mission. We too in our diocese need to think imaginatively in this area to awaken people to their responsibility as members of Christ's Church.

Adult Division

The Rev. T. Norman Mason, Chairman

The Schools of Religion, scheduled for January 26, 27, 30 and 31, 1961, in eight areas of the diocese were snowed out. They were rescheduled for November 2, 3, 6 and 7, 1961. The theme: *The Church Speaks . . . Through You!* Those attending while small in number were very enthusiastic about the subject and the speakers.

As chairman of the division, the Rev. T. Norman Mason chaired the special committee responsible for Bishop Hart's clergy conference at High Point Inn, Mt. Pocono. This conference was part of the Advanced Adult Education Program of the National Church and was co-sponsored by the National Council and Bishop Hart. The theme was "The Liturgy and Parish Life." In attendance were 143 clergy and directors of Christian education.

The Rev. Canon Edward West, St. John's Cathedral, New York City, was the guest leader and the Rev. Messrs. Edward T. Adkins and William J. Coulter, National Council, were co-chairmen.

Bishop Hart was asked if possible to plan for this type conference on a biennial basis.

The division continued to seek for a ways and means of having a better coordinated program of Christian Education for adults on the diocesan level.

Children's Division

Miss Elizabeth M. Rapley, Chairman

There are now ten members in this division, five of whom are also active as MEMO committee members, with the addition of one ex-officio member on the MEMO committee.

In addition to preparation of the MEMORANDUM FROM ROOM 30, items listed below have been under discussion, and/or acted upon.

The discontinuation of the *Birthday Thank Offering* by the National Council, and advisability of presenting to the diocese alternate suggestions for parish projects.

An evaluation of *Guild of the Christ Child* materials was made by members of the Children's Division and presented to the Executive Secretary for suitable action.

An evaluation of *Church School-by-Mail* curriculum is to be made as soon as possible.

An evaluation of *Christmas Giving* will be made and discussed at the meeting of the Children's Division to be held the afternoon of January 15, 1962.

Preliminary discussions have been held on a SKILL SHOP to be given late September, 1962. The support and cooperation of Leadership and Youth Divisions will be required for this project.

PRESENTATIONS SERVICE COMMITTEE

The Rev. Edward B. Pollanick, Chairman

The 1961 Church School Missionary Offering amounted to $24,261.05.

The Service of Presentation was held Sunday, May 7, 1961, on the grounds of the Cathedral Church of Christ with several hundred children in the choir. The Rt. Rev. J. Gillespie Armstrong preached the sermon. Despite the inclement weather about 2,000 persons attended.

CHURCH SCHOOL-BY-MAIL

The Rev. Joseph H. Laird, Chairman

During 1961 twenty-five new pupils were received in the Church School-by-Mail thus making a total of one hundred and fifty-seven enrolled. Forty-eight of the children are now attending Church School, three have moved and two have outgrown the work, leaving one hundred and four on roll at the end of the year. Seven city and suburban parishes used this service for sick or handicapped children. Three outlying parishes and missions provided workers to send and correct the lessons, and to visit the families in their districts.

Out of 46 families, 28 or 61% responded with returned question sheets, 19 regularly and 9 irregularly. Those who did not send in written work mailed cards or letters, or when visited, were found to be using the books. Their missionary offering was $24.10.

Eighty-five visits were made to families during the year. Christmas presents were provided by the scholarship donors and participating parishes.

One hundred and seventy-two ($3.50) scholarships were received from Episcopal Churchwomen in parishes throughout the diocese, Church Schools and other organizations and individuals. The cost per child is now $5.50, but the number of scholarships received over and above the number of children on roll, takes care of the additional expense.

YOUTH DIVISION

The Rev. Otho S. Hoofnagle, Diocesan Youth Advisor
The Rev. Warren H. Davis, Jr., Diocesan Youth Advisor (until June, 1961)

Episcopal Young Churchmen's Council

Mr. Henry Tani, National Director, Youth Work, United Church of Christ, led an all-day session, May 31 at Denbigh. He discussed the growing trend toward small group work on the parish level and less emphasis on large district organization.

SUMMER YOUTH CONFERENCES

The Rev. G. Crofton Thompson, Chairman (until Fall, 1961)
The Rev. James A. Trimble, Chairman

Summer Conference *Reunions* were held in January, 1961.

Participating in the five Summer Conferences were 320 young people and 91 staff members. Theme of the three Senior High conferences: ". . . and daily increase in thy Holy Spirit more and more . . ." For the two Junior High conferences was the theme: "Called To Be Friends."

A new policy was initiated this past year. A Director of Recreation was added to the paid staff. His primary duty was the responsibility of the swimming pool. This policy is to be permanent.

LEADERSHIP TRAINING DIVISION

The Rev. Alfred Vail, Chairman (until Fall, 1961)
The Rev. Donald L. Farrow, Chairman

A Parish Leaders Institute, for clergy and directors of Christian education, was held at Denbigh, January 10-12.

On February 7 — a 12-hour conference on "Consultation" led by the Rev. William J. Coulter of the National Council was snowed out of the Conference Center but moved into the Church House. The facilities of the Women's Building proved very adequate for even such a long session.

Another day-long session on Consultation was held on Saturday, September 30 at St. James, Downingtown for that area of the diocese.

New clergy in the diocese were invited to attend an "orientation" session on the work of the department — on October 9 at the Church House.

October 22-27 an Indiana Plan Institute under the direction of the University of Indiana was held at Denbigh. Persons registered included both clerical and lay from the diocese, Virginia, Canada and New Jersey.

The department through this division cooperated with Episcopal Churchwomen in a Bucks County Workshop on the Mission of the Church with special emphasis on Latin America.

This division continues to be concerned for the training of those who provide leadership on both the parish and diocesan levels.

AUDIO VISUAL COMMITTEE

The Rev. Kenneth C. Werner, Chairman

Each year brings an increase in the use of audio-visuals by parishes and missions. Twenty-two new memberships were received in the Audio-Visual Cooperative.

Many new films and filmstrips have ben added to the library. The new additions are listed in the *Memo from Room* 30.

These reports give some idea of the tremendous variety and scope of the department's activity. Encouraging as they may be, the department is deeply aware of the fact that it is only possible through the loyalty and generosity of the many people and parishes represented. To each the chairman says well done and thank you. And yet the department is well aware of the fact that there is so very much yet to be done. There is the urban Church, searching youth, groping adults, need for leadership, to mention only a few areas. In each of these, the diocesan department feels the frustration of everybody — so much to do and so few qualified. The diocese must stretch and realize its potential in facing this situation that spells a challenge to us all.

Finally, the chairman expresses his deep appreciation to the able Executive Committee and to the Executive Secretary and her talented staff that makes it a joy and privilege to be associated with such a dedicated and stimulating group. We ask your continuing prayers in the interesting year ahead.

DEPARTMENT OF CHRISTIAN SOCIAL RELATIONS

Diocese of Pennsylvania

ANNUAL REPORT — 1962

The Department of Christian Social Relations is established by Canon to "carry on and promote . . . social work and social relations . . . subject to Diocesan Convention or the Bishop and Executive Council."

Pursuant to this mandate its most notable work in its Division of Health and Welfare Services has been the staff work it has done for "The Bishop's Exploratory Committee of Agencies in the Diocese Serving the Aging and Chronically Ill." The detailed report of this committee which the May, 1961 Convention called for is being presented separately for the consideration of the 1962 Convention.

In the Division of Christian Citizenship its most conspicuous work has been in implementing Convention resolutions in the areas of Capital Punishment and Racial Understanding. The united front all religious groups were credited with presenting before the 1961 Legislative Assembly of the Commonwealth of Pennsylvania was in large part instigated by this work of the Department. The statement of the Laymen (invited by Bishop Hart to consider the critical problem affecting racial understanding) from the Diocesan Conference Center last fall was perceptive, and was referred to by an editorial writer in his nationally syndicated column.

The year has been a diverse one for the Division of World Relief and Inter-Church Aid. The three refugee families which were resettled by three parishes were of different nationalities, German, Cuban, and Yugoslavian. Quite some time was spent working with several refugee families not originally placed by the Department as well as some of those who were, many of the latter applying for citizenship. There has been participation in the work of the Committee on Foreign Born of the Health and Welfare Council. Of particular interest was the work with a group studying the integration of refugees into the life of this community. Help in establishing contacts with manufacturers and hospitals was given to a recently established agency, the Inter-Church Medical Assistance, which sends medical supplies to the mission fields abroad. Although the total contributions to the Presiding Bishop's

Fund through the regular channels of the Diocese dropped to $5,955.10, an additional substantial contribution of over $2,000. was sent from this diocese through the Fund to Bishop Harris in Liberia to help improve the breeding cattle at Cuttington College as a "Heifer Project," and more than $1,200. went additionally to the Share Our Surplus program.

In the person of the Executive Secretary, staff assistance has been given to the Urban Clergy Group which has been meeting monthly at the invitation of Bishop Armstrong.

The resolution of the Rev. Hadley B. Williams at the last Diocesan Convention instructing the Department to consider how the Diocese might more conscientiously meet its obligation to retired clergy in the matter of major medical insurance coverage has been implemented by a committee under the chairmanship of the Rev. Stuart A. L. Thomas which reports separately to the 1962 Convention.

The experience of the Department in three areas were considered significant enough to be published and circularized by the National Council—the document *Capital Punishment*, a Lay Reader's Sermon on the same subject, and Foreground Studies No. 8, "How Should the Church be Involved in Controversial Social Questions" by the Rev. Daniel B. Stevick.

With the recognition that the effective implementation of its concerns requires support beyond the constituency of the Diocese, the Department was host to two significant interfaith meetings at the Conference Center. One, which included the unofficial clergy and lay representatives of the non-Roman Christian community and the rabbinical and lay representatives of the three Jewish communities initiated a series of discussions on social issues to which the respective faiths address themselves. The other, under the aegis of the Department of Community Services of the Greater Philadelphia Council of Churches, considered the role of the churches and Public Assistance and has initiated further consideration of this timely and critical subject by many of the organizations represented at that meeting.

Respectfully submitted,

SYDNEY L. W. LEA
Chairman

REPORT OF THE DEPARTMENT OF LAYMEN'S WORK

The highlights of the work of the Department for the year 1961 included Laymen's Week, promoting the coverage of the national magazine, "The Episcopalian," and a new approach to work in the field of stewardship.

During Laymen's Week the men of the Diocese were encouraged to initiate and carry through various projects within their own parishes. The outstanding event of Laymen's Week was the Mass Meeting at Holy Trinity Church, 19th and Walnut Streets, which was addressed by Canon Ernest Southcott, author of the book, "The Parish Comes Alive," and advocate of the "house church." Canon Southcott's visit to the Diocese sponsored by the Department was very fruitful. His services as a speaker were made available to the Episcopal Churchwomen of the Diocese and to the urban clergy.

Through the Parish Representative system, the Department undertook the promotion of increased circulation for "The Episcopalian," the official magazine of the Episcopal Church. A day, designated as "E" Day was set up at which time it was possible to call in subscriptions to a central telephone agency. As a result of these efforts, 132 out of 196 parishes responded, providing a total of over 1300 new subscribers. The management of "The Episcopalian" felt this was a most successful effort.

In the field of stewardship and fund-raising help, this division of the Department prepared a group of men to sit down with individual canvassing committees or vestries and give technical aid, help and suggestions. It was felt this was more realistic than the mass meetings previously held. Several parishes availed themselves of this opportunity. Any parish wishing help from the Department in planning its campaign canvass or general stewardship instruction may make arrangements for a meeting with representatives of the Department by contacting the office in the Church House which is staffed from 10:00 a.m. to 4:00 p.m. every Thursday.

By fall of 1962 there will be a group of speakers prepared to go to parishes or groups of parishes and speak on the Diocesan Budget, acquainting them with the work that is accomplished by money contributed by the parishes, thus promoting a better understanding of the work of the Diocese.

The Department continued to search for the very best organizational structure to implement its work and is now set up as follows:

The Diocese has been divided into eleven areas of approximately 18 parishes each. Each area is under the direction of a council composed of six to nine members, one-third of whom are clergymen. The Diocesan Department will be made up of the eleven area chairmen and an Executive Committee of twelve, not less than one-third of whom will be clergymen. The Executive Committee will be responsible for the planning of Laymen's Week and the encouragement and sustaining of the area councils and the operation of the Department's business on the Diocesan level. The area councils will be responsible for recruiting Parish Representatives, informing and helping them to fulfill their function in the parish and to plan at least one area-wide event each year.

It is hoped that this organization will result in a closer contact with the parishes, fuller cooperation on all levels and area programs that will be more relevant to the needs of the parishes involved than would be possible with a Diocesan-wide program.

THE REV. JAMES G. LUDWIG, III, *Chairman*

APPENDIX H

THE CHURCH FOUNDATION

REPORT TO THE DIOCESAN CONVENTION ON APRIL 30, 1962

The Annual Report of The Church Foundation has been distributed to all the clerical and lay deputies to the Convention. This year we added a little color to the binder to attract your attention! We have also mailed copies to the Accounting Wardens or Treasurers of all the Parishes and Missions in the Diocese. Extra copies or further information may be obtained by communicating with our office at the address shown on the foot of page 2.

The aim of the Church Foundation is to handle Church funds and properties put under our care as trustee, in an efficient manner. The list of our Committees is shown on page 3.

The Investment Committee meets regularly to consider the investment of new funds or additions to existing funds sent in to us. The total amount received last year amounted to $793,061.00 listed on pages 4 and 5.

A list of the investments and participating funds in our Consolidated Fund and Consolidated Legal Fund is shown, together with the units held in each account, as well as the latest unit values. It is interesting to note that both the unit value and earnings per unit of the Consolidated Fund reached new high levels in the year 1961.

During the year we continued our program of selling common stocks when yields on the advanced market valuations seemed too low. The proceeds were reinvested in high grade corporate bonds giving a substantially higher return. Profits established on such sales amounted to $239,454.00.

Under recent legislation funds restricted to legal investments now are subject to the Prudent Man Investment Rule. Our attorneys, serving on our Committee on Trusts, are giving consideration to the possibility of merging our Consolidated Legal Fund with our Consolidated Fund, but have not come to a decision as yet.

Several of the Parishes, Missions and Diocesan properties to which we hold title are now being insured under the Public and Institutional Property Plan. This provides greater insurance coverage at less cost, subject, however, to quarterly inspection reports.

We have received inquiries from time to time from Churches or Church Institutions who wish to avail themselves of the services of The Church Foundation. I personally will be happy to attend Vestry meetings or meet with any group to give further information about the operation of The Church Foundation.

I am very pleased that the Reverend Peter C. Van der Hiel, Rector of St. George's Church, Ardmore, and a member of our Board, has offered to speak to you briefly about his experience with The Church Foundation.

Respectfully submitted,
E. OSBORNE COATES, *Executive Vice-President*

April 30, 1962

It has been by distinct privilege to serve as a trustee of the Church Foundation for the last twelve years. In this capacity I have been allowed to sit in with a group of men of great integrity and sincerity and I have been allowed to witness their skill and devotion at work for our Church.

The Board is comprised of men of great ability and among the best in the various fields covered by the work and interest of the Church Foundation. They are among the experts in financial matters, investments, handling of trust funds, insurance and a great variety of legal matters. With great efficiency and always showing a keen awareness of the responsibility committed to their charge, they are handling the many funds of our Diocesan Mission properties, as well as that of many of the Parishes in this Diocese. They also manage Diocesan Funds, Funds for the Episcopal Churchwomen, Funds for the Episcopal Community Services, Institutional Funds, Cemetery Funds, etc.

In the Church Foundation we have a rare combination of dedicated churchmen of proved ability, serving without cost to the Diocese, protecting through a mutually diversified trust fund both principal and maximum safe interest return through the Consolidated Trust Fund.

The Foundation indeed, has been of great help to the Diocese and your Bishops, the various vestries, and rectors, in giving valuable assistance on insurance matters, claims, or straightening out complicated matters arriving so often in connection with deeds or titles; preparing proper contracts in connection with new buildings, land purchase and additions to existing properties. More than 100

churches or missions in this Diocese are getting the benefit of the work of the Church Foundation.

To use as an illustration of the sound way in which the finances and trusts of the Church Foundation are being handled, St. George's Nevil Memorial Church invested in 25,238 units of the Church Foundation Consolidation Fund having a book value of $259,461.15, at an average cost of $10.28 per unit. The records show that these units were bought over a period of years from 1943 to 1954, during which time there also were several sales. Today the unit value is $20.54 and the market value has grown to $518,388. In other words, just about twice the value of the original investment. The income of the investment amounted in 1961 to $19,600 which means a yield of about 7.5% based on the original investment.

The Provident Tradesmens Bank and Trust Company acts as the fiscal agents for the Church Foundation and as Chairman of the Auditing Committee, it has been my task to make annual spot checks of the stocks, bonds, deeds and insurance papers held by the Corporation. I would like to report to you that I have been deeply impressed by the efficient and orderly way, as well as the safe way, in which all our securities, deeds, insurance papers, etc. are being kept. There are literally thousands of them and yet they are available at a moment's notice.

Like all other affairs of the Church Foundation, it simply symbolizes the business-like way in which the work entrusted to the Foundation is being handled.

The Directors of the Foundation are too modest to sing their own praises, but as a clerical member, I feel free to state that we all owe a word of sincere thanks and deep appreciation to these dedicated men who make up the Board of Trustees, to the Executive Vice President, Mr. Osborne Coates, and to Miss Helen Neithammer, the Executive Secretary, and I compliment them on the important task they are doing in this Diocese.

Respectfully submitted,
(Rev.). Peter C. Van der Hiel, Jr.

On gifts to Churches, donors are allowed a deduction up to 30% of adjusted gross income per year for income tax purposes. This compares to a maximum deduction of 20% in the case of many other charities.

The present Pennsylvania and Federal Inheritance Tax Laws provide that any bequests made to organizations operated exclusively for Religious or Charitable purposes are exempt from inheritance taxes.

Church Farm School Endowment Fund

During the past year, we have received a total of $575,000 from the Reverend Charles W. Shreiner, D.D., headmaster, representing gifts to the Church Farm School, derived from the following sources:

Legacy from the Estate of Marion E. Stout—$5,000.00

Contribution from Mrs. Juanita Ann Reed—$20,000.00

Legacy from Estate of George Augustus Rumsey—$550,000.00

These sums were added to the principal of the Church Farm School Endowment Fund and invested. During the year, six of their other individual funds were combined in their Endowment Fund, having a book value of $908,493.84 as of December 31, 1961. Due to the present value of this Fund, our fiscal agent has approved a special minimum rate for administration charges.

In addition, there is the Harriet L. Smith Memorial Fund with a book value of $250,478.20 and Endowment Fund No. 2, restricted to legal investments, with a book value of $7,986.45 as of December 31, 1961.

Endowment Fund of the Episcopate

During the year 1961 gifts to the Endowment Fund of the Episcopate amounting to $15,230.09 were received. This included the payment of a $10,000 legacy from the Estate of Robert T. McCracken, Esquire, as well as the payment of $752.50 from a life insurance policy held in his name. We also received payment of a $1,000 legacy from the Estate of Mary M. Farrand, Deceased.

The remaining $3,477.59 was received from the Diocese, which includes $1,129.79 representing ten per cent of the offerings to the Bishop's Fund at Confirmation Services.

As of December 31, 1961, the Endowment Fund of the Episcopate was invested in 53,096 units of The Church Foundation Consolidated Fund having a book value of $717,571.33. In addition there was a principal cash balance of $10,011.68. The average cost of the units was $13.51 each whereas the market value was $20.79 per unit as of the appraisal on December 5, 1961.

The Diocese received income disbursements of $39,199.11 from this Fund during the year 1961, compared to $37,074.10 in 1960.

The net income return last year was 5.4% on the cost basis of the units in which the Fund is invested.

Due to the present value of this Fund, our fiscal agent has approved a special minimum rate for administration charges.

Cemetery and Legal Funds

A new Act, No. 700, passed by the State of Pennsylvania Legislature, became effective September 28, 1961. It provides a wider scope for the investment of funds restricted to legal investments and is known as the Prudent Man Rule.

Rentals

347 Andover Road, Fairless Hills, Pa., the former rectory of All Saints, Fallsington, has been leased for one year @ $90 a month, with the privilege of cancelling same in a reasonable time if the property should be sold.

INSURANCE

During the year 1961 a great many new physical appraisals were received from the Church Fire Insurance Corporation on the 93 Parishes and Missions to which we hold title.

The coinsurance clause requires that at least 80% of the appraised value, being replacement cost less depreciation, be carried on all properties. In the case of under-insurance, a penalty would be involved in damage claims, of losses by fire, extended coverage, vandalism and malicious mischief.

In accordance with our instructions from the Diocese, we have automatically corrected any shortages shown on the latest appraisals of Missions below minimum requirements. However, in each case, a letter is written advising the Mission authorities of our actions. The Parishes, to which we hold title, have been written to, after new appraisals, bringing to their attention any shortages in their insurance coverage compared to minimum requirements. In every case, we have asked for their authorization to make the increases called for.

The Church Fire Insurance Corporation premium rates continue to give the benefit of the 20% discount below the rates established by the Rating Board.

The following is a list of properties at which increases in fire insurance were recorded during the past year.

Public and Institutional Property Plan

This new Plan requires insurance of 90% of the appraised value be carried on all Church Properties, instead of 80%. However, the following reduction in rates below those normally established by the Middle Department Association of Fire Insurance Underwriters will apply on insurance premiums.

25% on Fire

40% on Extended Coverage

50% on Vandalism and Malicious Mischief

This works out to an average premium reduction of approximately 30%. With the increased insurance, there is still an average saving of about 17½%, giving advantages both in coverage and rate.

This Plan does require one new step, namely four inspections a year, three of which are made by the insured and one by the underwriters. Forms are supplied for this purpose which are not complicated, but insure good housekeeping and the correction of any hazardous condition. The Plan also contains a $100 deductible clause per occurrence on each building for all damage other than that caused by fire and lightning.

The following three Missions, which qualify on the basis of insurance premiums paid, have accepted to be insured under this Plan, as part of the Diocesan policy with the Church Fire Insurance Corporation.

St. Barnabas, Kensington
St. Elizabeth's, Philadelphia
St. George's, Richmond

We have been officially notified by the Church Fire Insurance Corporation that the State of Pennsylvania has now accepted their revision whereby the Public and Institutional Property Plan can be put into effect for properties that now pay a premium of $400 or more per annum. This would apply to all Parishes.

INVESTMENT

Management

Capital Funds placed in trust with The Church Foundation are invested under the direction of our Investment Committee and the security portfolios comprising our Consolidated Fund and Consolidated Legal Fund are under its constant supervision. We believe that both Funds will qualify for investment under the new Prudent Man Investment Rule.

The Church Foundation also has the benefit of complete banking facilities through the Provident Tradesmens Bank and Trust Company who act as our Fiscal Agent. Their services include bank custody of all securities, keeping records of all funds under our charge and preparation of income checks for distribution with accompanying statements. For these services a reasonable administration fee is charged against the income of the various funds.

Investment Policy

Our Investment Committee has continued its policy of obtaining the best income return for our funds consistent with sound investment practice. Recently in considering the investment of new money, our policy has been to concentrate on purchase of good quality bonds, giving a yield of 4% to 5%, compared to a considerably lower yield on high grade common stocks. Special attention has also been given to increasing the number of bonds in the Consolidated Fund maturing each year during the next ten year period, as a step toward the protection of capital. The number of bonds in this category now represents about 47% of our total bond holdings, of which a large proportion are U. S. Treasury or Government Agency bonds.

CONSOLIDATED FUND

The Consolidated Fund was established in 1943 when the original units were priced at $10 each.

Each unit of the Consolidated Fund has a participating interest in a well diversified portfolio of securities in various industries consisting of bonds, preferred stocks and common stocks.

Income

Gross income amounted to 77.64 cents per unit for the year 1961, compared to 74.99 cents per unit for 1960. These earnings keep unbroken our record of increased earnings every year since the establishment of the Consolidated Fund in 1943. Income distributions are made on a quarterly basis, unless otherwise arranged. In some cases income is added to principal and invested.

Yield on Investment

The unit value has also steadily increased from the original price of $10 per unit. On the basis of a unit value of $20.79 per unit as of December 5, 1961, the indicated yield was approximately 3.75%.

The average purchase price of the 482,497 units outstanding was $14 per unit. On this basis the average income yield would be 5.5%.

CONSOLIDATED LEGAL FUND

The Consolidated Legal Fund was established in 1953 when the units were priced at $10 each. The original purpose of the Consolidated Legal Fund was for investment of trust funds restricted to legal investments and was limited to one-third of its market value in approved common stocks. The recent "Prudent Man" legislation eliminates the proportion that could be invested in common stocks, provided the investments meet the requirements of the Prudent Man Investment Rule.

The question has arisen whether the Consolidated Legal Fund could now be merged with the Consolidated Fund. However, our Committee on Trusts is not ready to recommend such a step pending further consideration of all the legal aspects in this matter. It is noted that banks in the area, who operate similar Legal Funds, have also delayed any action in connection with discontinuing such Funds.

Income and Yield

Gross income amounted to 48.62 cents per unit for the year 1961, compared to 45.86 cents per unit for 1960.

On the basis of a unit value of $11.85 per unit as of December 5, 1961, the indicated yield was 4.1%.

The average price of the 21,606 units outstanding was $10.81 per unit. On this basis the average income yield would be 4.5%

APPENDIX I

REPORT OF THE CATHEDRAL CHAPTER

1961 - 1962

The work of the Cathedral Church of Christ went forward during the year 1961-1962. A good deal of attention has been given by the Chapter through its Property Committee to arrangements concerning several houses on the Cathedral property which have suffered demolition due to the State's program for the widening of Ridge Avenue. Negotiations, of course, are presently in progress for due reimbursement for the condemnation of these properties. Due to the loss of housing facilities for tractors and other garden equipment as well as other properties belonging to the Diocese, especially in connection with the annual presentation of the Church School Lenten Missionary Offering, plans are under way for the construction of some adequate shelter for these pieces of equipment.

A new organ has been installed in the Chapel of St. Mary in the Cathedral Foundation. The Chapter has advanced the sum of $7000.00 for this purpose and, the congregation of the Chapel has to this date reimbursed the Treasurer in the amount of $3000.00. It is the expectation of the congregation that they will eventually repay the full sum.

Respectfully submitted,

Canon Registrar-Secretary
WILLIAM N. LANIGAN

APPENDIX J

REPORT OF THE COMMISSION ON RECTORS' SALARIES AND PENSIONS FOR THE YEAR 1961

During the year 1961, three Parishes reecived assistance through the Commission:

Holy Nativity, East Germantown	$1,500
House of Prayer, East Germantown	600
St. Georges, West Philadelphia	500
	$2,600

The last named, St. George's, West Philadelphia, relinquishes request for aid in 1962. So for this year only two parishes have requested our help.

A further study of the proposal of the Commission, made at the 1961 Convention of the Diocese, to transfer the two parishes receiving aid to the care of the Department of Missions and the supervision of the Dean of the Convocation involved. This requires a change in Canons and we understand the Committee on Canons is not prepared to make a final report at this Convention. This leaves the question of the usual provision for an assessment on the Sustentation Fund somewhat uncertain.

Pending a final disposition of the transfer, and as there are at present only two parishes receiving aid, we would suggest a reduction in the permission for assessment to $2500, and offer this Resolution:

Resolved, that the Commission on Rectors' Salaries and Pensions be authorized to assess the Sustentation Fund for the year 1963 the sum of $2500.

The Commission advanced some pension assessments during 1961, where there were delays in payments; but all such advances have been repaid.

The Commission desires to bring one other matter to the attention of the Convention and that is the question of the minimum salaries. This concerns both the Rectors of Aided Parishes and the Vicars of the Missions of the Diocese, as it has been customary to consider both together, the initiation usually being taken by this Commission:

At its meeting on April 6, 1962, the Commission discussed this question. The last adjustment was made in 1959 when the minimum was increased $100 annually in all categories. The Commission proposed that any suggested advance be tied in with the cost of living, and upon consultation with the Federal Reserve Board we discovered the increase since 1959 was 1.3%, which would amount to about a $50 increase.

When this was reported to the last meeting of the Department of Missions a motion was there adopted recommending to the proper authority, that is this Convention, an increase of $200 "across the board."

This would increase the minimum of $3600-$4100 to $3800-$4300 plus Rectory and Pension Fund in all cases, and $100 for each minor child.

STANLEY R. WEST
Chairman

His duties shall be such as shall be assigned to him from time to time by the Chancellor with the approval of the Bishop.

Item 7. Canon IX. Of the Establishment of New Places of Public Worship.

RESOLVED: That Canon IX be amended to read as follows:

Canon IX

Of the Establishment of New Places of Public Worship

Sec. I. No new Congregation or Church School shall be gathered or new Church, Chapel, or Mission established, nor shall the site of any existing Church, Chapel, Church School, or Mission be changed without the consent of the Bishop of the Diocese.

Sec. II. The Bishop shall annually, within the month following the Convention of the Diocese, appoint a Diocesan Strategy Committee to consist of one Clergyman and one Layman nominated to him by the Dean of each Convocation from the Executive Committee of the same. To such Diocesan Strategy Committee and to the Executive Committee of the Convocation wherein such action is proposed, or if the change of site be from one Convocation to another, of both Convocations, any petition for leave to take any of the actions set forth in Section I shall first be presented in writing. If the proposed action be the establishment or change of site of a Diocesan Mission, the petition shall be presented by the Dean and Executive Committee of the Convocation concerned. For any other action the petition shall be signed by the organization or persons chiefly interested in promoting it. *Provided,* that if the application be to change the site of any existing Church, Chapel, or Mission, the petition shall aver that notice of the proposed change of site has been given by the Rector or Minister-in-Charge to the Congregation at one public service on each of the three Sundays immediately preceding the presentation of such petition.

Sec. III. The Diocesan Strategy Committee, as soon as it is advised of the favorable action on such petition of the Executive Committee of the Convocation or Convocations concerned, or otherwise as it shall itself determine, shall cause a copy of the petition to be sent to the Rector and Secretaries

of the Vestries of the three Parishes whose Places of Worship are nearest the site of the proposed new Place of Worship or Church School, together with an invitation to said Rectors and Vestries to meet with it and the Diocesan Strategy Committee at a time named by it, not less than twenty nor more than thirty days from the sending of the invitation, for a conference as to the wisdom of the proposed enterprise at that particular site.

Sec. IV. Notice similar to that provided for in Section III may be given by the Diocesan Strategy Committee to any Rector or Minister-in-Charge of a Congregation, or Vestry or Board of Trustees, whose interests it may consider likely to be affected should the prayer of petition be granted.

Sec. V. At the time named the Diocesan Strategy Committee shall hear any person or persons who may desire to be heard either for or against said petition. Within ten days after the hearing, the Diocesan Strategy Committee shall advise the Bishop of its opinion in the premises and the reason or reasons upon which the same is based. In reaching its opinion the Diocesan Strategy Committee shall take carefully into account and be guided, but not necessarily controlled by the wishes of either the Executive Committee of the Convocation or Convocations concerned, or the Rectors, Vestries or other persons consulted. As soon as may be after the receipt of the opinion of the Diocesan Strategy Committee, the Bishop shall either grant or refuse the prayer of said petition and file with the Secretary of the Convention his decision in writing.

Sec. VI. If any of the Churches mentioned in Section III be without a Rector, service of the petition and notice upon the Secretary of the Vestry of said Church shall be sufficient.

Item 8. Canon XX. Of Deputies to the General Convention and the Provincial Synod.

RESOLVED: That Canon XX be amended to read as follows: (new canon)

Canon XX

Of Deputies to the General Convention and the Provincial Synod

Sec. I. At each annual session of the Convention in a year next preceding a year in which a stated meeting of the General Convention is to be held, four Clergymen and four Laymen shall be elected as Deputies to represent the Diocese in the General Convention, and four Clergymen and four Laymen shall be elected as Deputies to represent the Diocese in the Provincial Synod, to serve as deputies under the circumstances specified in Section III below, all of whom shall continue in office until their successors are elected.

The Deputies to the General Convention and to the Provincial Synod shall be elected together, the four Clergymen and the four Laymen first determined to be elected (or receiving the larger number of aggregate ballots if the determination as to several is simultaneous) being elected Deputies to the General Convention, and the four Clergymen and the four Laymen next determined to be elected (or receiving the next larger number of ballots, as the case may be) being elected Deputies to the Provincial Synod. The Deputies shall be listed in the Journal in the order of their election (or in the order of the number of ballots received by them), beginning with the highest.

Sec. II. The Clergymen so elected shall be canonically resident in the Diocese of Pennsylvania. The Laymen so elected shall be communicants of the Church having domicile in the Diocese. No one shall be eligible who has reached his seventy-second birthday at the time of the election; and no one shall be eligible who has served as a Deputy at the next preceding three stated meetings of the General Convention unless at the most recent of such meetings he was an officer of the House of Deputies or a member

of one of the following five committees, namely: Amendments to the Constitution, Canons, Dispatch of Business, Program and Budget, or Prayer Book.

Sec. III. It shall be the duty of the Secretary of the Convention, at least thirty days before the meeting of the General Convention, to notify each of the Deputies elected to declare to him at least fourteen days before said meeting, his acceptance of the election and his intention to perform the duties of such office, and, in default of receiving such declaration, the Secretary shall designate and certify from the list of duly elected Alternate Deputies as many as may be necessary to ensure a full representation of the Diocese at the General Convention. Such designation shall be made in the order of election, and, as between persons elected on the same ballot, the one having the greatest number of votes on that ballot shall be first designated, and, if two shall have received an equal number of votes, the designation shall be made by lot. The persons thus designated, when furnished with a certificate of such designation, shall have all the power and authority of Deputies duly elected by the Convention of this Diocese.

Sec. IV. In the case of the inability of any Deputy to attend, or in the case of vacancy, the Standing Committee, after consultation with the Bishop, shall designate to serve as Deputies as many of the Deputies to the Provincial Synod as may be necessary to ensure, as far as possible, a full representation of the Diocese in the General Convention.

Sec. V. In addition to the documents required by the Canons of the Protestant Episcopal Church in the United States of America, the Secretary of the Convention shall transmit to each General Convention a certificate signed by himself of the appointment of Clerical and Lay Deputies.

Sec. VI. The necessary expenses of the Bishop, Bishop Coadjutor, and Bishop(s) Suffragan, and of the Clerical and Lay Deputies in attending meetings of the General Convention and of the Provincial Synod, shall be paid them in advance out of The Convention and Diocesan Expense Assessment, the amount to be fixed by the Department of Finance of the Executive Council.

DIOCESAN LIBRARY REPORT

During 1961, ninety-one new books were purchased and five were donated. The subjects were Bible, Prayer and Devotion, Prayer Book and Sacraments, Psychology, Creeds, Church History, Social Relations, Theology, Missions and other miscellaneous religious writings and reference books.

These books were chosen by members of the Board of Control from book reviews in magazines and lists sent them by the Librarian, and from their own literary resources.

The new titles were listed in the *Church News*. The list of new books for the year was sent to all clergy, and to students and lay people using the Library. All books and shelves were cleaned during the summer.

There was an average of 80 books out at a time. The Library is free to all clergy and laity of the Diocese. Anyone wishing to be a sustaining member pays one dollar a year. Books are checked out and in at the Information Window, or with the Librarian in Room 37, where the catalogue is located.

Nine church magazines were subscribed to for the reading room: "The Anglican Theological Review," "The Christian Century," "The Churchman," "The Ecumenical Review," "The Episcopalian," "The Hibbert Journal," "The Historical Magazine," "The Living Church," and "The Witness." Four magazines were donated, "The Church News," "The American Church News," "The Anglican World," and "The Diocesan Chronicle of the Philippine Episcopal Church."

CORPORATION FOR CHRISTIAN WORK IN EDUCATIONAL INSTITUTIONS

April 30, 1962

This has been an exciting year for the life of the Church in the academic communities of our Diocese, which is the special concern of the Corporation for Christian Work in Educational Institutions. The members of the Corporation, and I as Director of College Work, have, I think, reached the point where we understand more clearly the needs, challenges and opportunities which the educational enterprise presents to the Church. Some new paths must be followed, some old ones re-directed, and in all our work we must make crystal clear the relevancy of the Gospel to the academic life.

One of the new approaches was a Corporate Communion for Episcopalians in the Academic Community followed by a dinner. Bishop Armstrong was the celebrant at the service, and over 100 students and faculty enjoyed the warm hospitality of the Church of the Good Shepherd, Rosemont. To this service we invited the presidents, and deans of men and women of the various institutions in an effort to draw attention to the fact that the Church is basically concerned with the excellence and integrity of these institutions.

Secondly, a Spring Student Conference was instituted at the request of the students themselves, in addition to the annual fall conference. The Rev. William A. Wendt, rector of St. Stephen and the Incarnation Church, Washington, D. C., was the leader at this conference. At the Fall Conference the leader was Dr. A. T. Mollegen of the Virginia Seminary, and Dr. Thomas P. Govan, Secretary for Faculty of the National Division of College Work, was the leader at the annual Faculty Conference in March. In addition, in cooperation with the Department of Christian Education, we are planning a conference in September for college students who live in the Diocese but go away to college. This will be especially designed to help students going away from home, and especially freshmen, to understand the meaning their church may have in their academic life.

Thirdly, in several places we are trying to strengthen our on-campus ministry with the help of concerned faculty. We are now ministering to over 50 institutions of higher learning in the Diocese.

At its December meeting the Corporation requested the Director to prepare a projection of College Work opportunities and financial requirements over a 5-year period. This was submitted and approved by the Corporation, and is to be presented to the Diocesan Convention after approval by the Executive Council this year. The major items in this proposed expansion are full-time chaplains at Temple University and Drexel Institute of Technology, a woman worker at West Chester State College, support for the operating budget of an ecumenical institute at Temple University, and the provision of a part-time worker to the ecumenical ministry to Center City schools of medicine, art, and music. Acceptance of this expansion by the Diocese will put Pennsylvania back into the number of those dioceses which are realistically meeting the challenge of the academic world. We have been far behind in this area, but this program will in part rectify the situation.

Finally, I would express my deep appreciation to the Diocese for its support of the College Work program through prayers and subscriptions to our annual appeal, and to the College Clergy who seek to carry out this ministry among the several institutions. Increasingly the parishes with College Work opportunities are responding to them and helping their clergy to feel free to do this work. I would also bear witness to the devotion of the members of the Corporation and their very real interest and help in carrying out the responsibilities given them by the Diocese in this field.

Respectfully submitted,

EDWIN G. BENNETT

APPENDIX P

THE BISHOP'S EXPLORATORY COMMITTEE OF AGENCIES IN THE DIOCESE SERVING THE AGING AND CHRONICALLY ILL

In the winter of 1960, Bishop Hart invited representatives of these agencies to meet with him to explore how together they might more effectively meet the needs of the aging and chronically ill to which the Church in this Diocese traditionally has addressed itself. This Exploratory Committee has met regularly since that time. It comprises representatives of

Christ Church Hospital
All Saints Hospital
Family Counselling Service
James C. Smith Memorial Home
Harrison Memorial Home of Episcopal Hospital
House of Rest
Keene Home
Leamy Home
St. Anna's Home, and of

the Committee on Church Related Health and Welfare Services of the Department of Christian Social Relations, which staffs the Committee. Bishop Hart, or, in his absence, Bishop Armstrong chairs its meetings.

At the last Diocesan Convention, a report was presented by the Bishop's Exploratory Committee of Agencies in the Diocese Serving the Aging and Chronically Ill indicating that these agencies serving the aging had agreed on a first priority for development: fulfilling the urgent need for a new and larger facility for the chronically ill and aging by replacing the present buildings at All Saints Hospital. This judgment of the Committee was sustained by the obvious fact that the great gap in care for the aging was the absence of sufficient services of this nature in the community.

The gap made independent living by older people in the community hazardous because they could not be assured of admission to a church agency when they became infirm or disabled. It also created burdens on agencies caring for the well aging, and placed a premium on inadequate care in institutions whose basic motivation sometimes leaves much to be desired.

The underlying philosophy of the new facility was conceived in terms of the Church's historic concern and experience in its approach to the aging—borrowing from the words of our Lord in Saint John's Gospel: "that they might have life, and have it more abundantly," in terms either of physical-mental-spiritual restoration, or, of thoughtful and loving care until the end—in either case, recognizing the total needs of the whole person.

All Saints' has been developing a program of service to the chronically ill and disabled aging which is being recognized as a pioneer venture in this community. Scores of hitherto hopeless patients have been enabled to leave the hospital and many others have received skilled and understanding care to the end of their lives, A leading authority on such care, Dr. Franz Goldmann, on the faculty of Harvard's School of Public Health until his recent retirement, retained by Episcopal Community Services as a consultant, has commended the hospital on its outstanding staff and on the steps it has already taken towards the goal it shares with the Exploratory Committee of developing a high grade multipurpose institution for long term care instead of trying solely to improve the facilities for hospital care. Such an institution would consist of at least two divisions, one designed for active medical treatment and rehabilitation of patients with long term illness and one designed for protective care of chronically ill or more or less permanently disabled people who do not require hospital care yet who cannot be cared for in their own homes or in our Church homes. The divisions would be complementary, as patients could easily be transferred from one division to another. By developing such an institution, the Diocese and its agent, Episcopal Community Services, would demonstrate that the outworn concept of warehousing our aging in inadequate nursing homes can be replaced by a modern concept geared to the needs of patients requiring institutional care.

Last year's Convention received this report, but rather than proceeding immediately to authorize a capital funds drive, wisely instructed the Committee—to quote from the Resolution in the *Journal*: to bring in a "detailed project . . . giving plans and proposed methods of financing."

Both the Bishop's Exploratory Committee of Agencies in the Diocese Serving the Aging and Chronically Ill, and the Board of Episcopal Community Services (which owns and administers All Saints Hospital) have worked hard and enthusiastically to do this. We can report great progress, but we do not feel that we have

sufficiently completed the assignment to warrant asking this Convention to make an irrevocable decision.

Schematic drawings have been developed upon which thoughtful estimates of cost down to the last item of room furnishings and equipment could be, and were, projected. The outside cost for construction and equipment was estimated at $2,694,658. A priority was established for the facility in the use of federal funds available to meet 30% of construction costs. This would leave a sum of slightly less than $2,000,000 to be raised for the construction of the entire facility at one time. Costs of operation and methods of financing operation were explored in quite some detail.

The question of asking the community to share the cost of construction with the Diocese through an appeal to industry and foundations is a knotty one. Some of our Church members believe the appeal should be limited to our own Diocesan family, while others think the appeal should be as broad as possible. A community appeal cannot be made successfully without the endorsement of the Hospital Survey Committee, known as the Duane Committee. Episcopal Community Services has been informed that its endorsement now depends on All Saints' moving adjacent to a general hospital and affiliating with it. This will be further explored with the Hospital Survey Committee but meanwhile it gives the Exploratory Committee some uncertainty.

Two thoughts regarding such relocation and affiliation have been recurring. One is that the services planned and in process of development should be related to services for the well aging and should reflect the historic concern and experience of Church related agencies toward the aging to whom they minister, not primarily its being an auxiliary to a general hospital. The other is the concept of team therapy and patient care which All Saints' has evolved, and which should motivate the facility the Committee envisioned. Out of this thinking grew a resolution that any affiliation with a general hospital which would threaten the autonomy and Church related orientation of any Church related agency would be unacceptable. This does not preclude considering the conversations which have taken place, and continue to proceed, with general hospitals looking toward an affiliation acceptable to the concerned agencies of the Diocese, the Hospital Survey Committee, and a general hospital. It does mean that the question is still unresolved, and, frankly, raises the question of whether it can be resolved.

Members of the Bishop's Exploratory Committee of Agencies in the Diocese Serving the Aging and Chronically Ill are here, available to Convention to reply to questions as to such cost projections and methods of financing as have been considered. Church people of the Diocese are due an explanation not only of our uncertainties, but the tentative lines along which we are thinking—and we welcome involving them in this thinking as we proceed. The facility has to be, basically, a tangible expression of the ministry of the Church, and the Board of Council of Episcopal Community Services is the agency of the Diocese designated to discharge this aspect of Her ministry.

A proper resolution to crystallize this report is suggested in the following (copies of which have been placed in the pews):

"WHEREAS, the Bishop's Exploratory Committee of Agencies in the Diocese Serving the Aging and Chronically Ill has served diligently in pursuing its mandate from the last Convention; and

WHEREAS, certain unresolved problems still face the Committee in completing the assignment; therefore,

BE IT RESOLVED, that the Committee be instructed to pursue its consultations and study, and to draft further detailed plans and proposed methods of financing for the facility it contemplates for All Saints' Hospital for consideration by the next Convention of the Diocese of Pennsylvania; and

BE IT FURTHER RESOLVED, that any affiliation with any institution which would threaten the autonomy and Church related orientation of All Saints' Hospital would be unacceptable to the members of Convention."

I move its adoption.

Respectfully submitted,

SYDNEY L. W. LEA

APPENDIX Q

EXTENSION OF MAJOR MEDICAL COVERAGE TO RETIRED CLERGY

The Committee appointed at the request of the 1961 Convention by the Department of Christian Social Relations to consider "how this Diocese might more conscientiously meet its obligation to retired clergy on this matter" of Major Medical Expense Insurance Coverage wishes to introduce two resolutions for the consideration of the delegates to this 178th Annual Convention of the Diocese of Pennsylvania. It does so on the basis of its having discovered that:

(1) Major Medical Coverage for a group made up exclusively of retirees cannot, nor probably ever will be available through the Church Life Insurance Corporation, underwriting companies operated for profit, or Blue Cross-Blue Shield plans. Although there has been no underwriting experience to establish the actuarial risks involved in writing such coverage, knowledgeable consultants estimate that the actuarial risk in Major Medical Coverage for retirees is not less than nine times greater than that currently established for active covered workers; therefore,

(2) To cover retirees not now covered at all, it would be necessary to include them in a plan which included active clergy as well. A proposal for such a plan is currently being drafted under the direction of the Church Pension Fund acting through the Church Life Insurance Corporation which is consulting Blue Cross-Blue Shield and commercial insurance companies. This apparently is being done with a view to having it in such form that it may be considered by the 1964 General Convention. There is some possibility that this may be available to us in the Diocese of Pennsylvania prior to that time.

(3) The adoption of the first resolution would gear the Diocese to avail itself of such Major Medical Coverage as would include all clergy, active and retired, and their coverable dependents, the moment it becomes available. In the meantime, it would provide the Bishop with some funds to draw against on behalf of retired clergy not now in any way covered by inclusion in the Diocese's present Major Medical Plan. This temporary expedient would not guarantee that funds available would equal those which would ultimately be available to all retired clergy under the Major

Medical Plan the committee envisions, but it would help in more conscientiously meeting the obligation of the Diocese to its retired clergy. Therefore, the Bishop is given absolute discretion in the disbursement of the funds thus temporarily available.

(4) The Committee would have you note that $5000 maximum lifetime benefit is all that is now available to coverable retired clergy. The Committee envisions only this maximum for retired clergy being extended to all retired clergy, not the maximum limits available to active clergy. Coverage for this more limited life time maximum benefit is now available, and being carried by the Diocese, for clergy who have retired after having been covered by the plan.

(5) The second resolution sets in motion a canonical change which would alter the basis of a parish, mission, or diocesan institution's paying its share of the total cost from that based on the number of clergy and clergy dependents, to that of a percentage of the total cost based on a parish or mission's current operating expenses. It would place all the burden of the total premium proportionately on parishes and missions, and avoid church related institutions having to appeal separately to the Diocese for the augmented support such coverage would require. The change is more apparent than substantial in that ultimately all Diocesan ventures are underwritten by the generosity of individuals either through the parishes and missions to which they belong or directly in benefactions to the Diocese or its institutions. It would also simplify an otherwise quite complex bookkeeping venture. It should be noted that the second resolution only sets in motion a canonical procedure which would become effective by the affirmative action of the 1963 Convention.

Respectfully submitted for the undersigned committee,

THE REV. HADLEY B. WILLIAMS
THE REV. STUART A. L. THOMAS, *Chairman*
MR. OSWALD S. CARLISS
THE REV. STANLEY R. WEST, D.D.
MR. ROBERT F. BOLE
THE REV. PETER C. VAN DER HIEL, JR.
MR. BEAUMONT WHITNEY

The resolutions referred to above are:

BE IT RESOLVED, that pending the amendment of that portion of Section 8, paragraph 4, of Canon VII to provide for a Group Major Medical Insurance Coverage Plan which shall include both the active clergy and

those retired clergy who were canonically resident and receiving compensation for full time work from ecclesiastical sources within the Diocese immediately prior to their retirement, and their respective coverable dependents, beginning July 1, 1962 each parish or mission shall augment its present contribution for its active clergy and dependents' coverage by 80% in order to share the estimated additional costs for a coverage which shall include all retired clergy and dependents as defined above; and

BE IT FURTHER RESOLVED, that prior to such time as this coverage is available, the funds resulting from this augmented payment shall be used in part to pay the proportionate premium of such active and retired clergy and their dependents as are now eligible for coverage under the plan. The balance shall be held against the greater cost of a more complete coverage which would also include all retired clergy and coverable dependents when such coverage becomes available. However, until the time that more complete coverage is available, the balance accruing may be disbursed by the Bishop to meet the Major Medical needs of such retired clergy as are not now covered at his absolute discretion.

BE IT RESOLVED, that the Committee on Canons be requested to present to the next Convention a revision of paragraph 4, Section VIII, Canon VII so as to change the basis of payment of the total premium cost of such more complete coverage for all canonically resident clergy from the present method to a pro rating of its total cost among parishes and missions only, in the same manner as the Diocesan Assessment is calculated.

APPENDIX R

REPORT OF EPISCOPAL CHURCHWOMEN TO DIOCESAN CONVENTION, 1962

CHANGING PATTERNS is the title given to the report of the Triennium 1959-1961 by the General Division of Women's Work of the National Council. There could be no more apt title for this report of the year's work by the Churchwomen of our diocese. You will note that I said "*our*" diocese. It was said with deliberate emphasis because changes are definitely discernible not only in the scope and manner of women's work but, to use a currently popular term, in the climate which surrounds it.

The climate can be said to pervade whatever is now taking place in the Stable of the Church House. Heretofore, in our 85 years as an Auxiliary and our four years as Churchwomen, we have been tolerated, encouraged now and then, and mostly left to our own resources and devices. But our resources and devices have developed so considerably that we are now faced with the prospective use of another currently popular word—"Togetherness." Whether the trend travels all the way down from the new administration in our National Council; whether it stems from our change in name from Auxiliary to Churchwomen; whether it is another aspect of the spirit of unity working like yeast everywhere (e.g. Ecumenicity, integration, etc.); or whether it is only the charm of our attractive Memorial Meeting Room in the Stable, we are uncertain. Whatever the cause, the Churchwomen are suddenly aware that they are now actually sought after by the inhabitants of the Main House.

The recent Hay analysis of the Diocesan structure produced a splendid chart showing every Department and Committee neatly arranged in boxes, with strong connecting lines, except that in the margin floated a billowing cloud labelled *Women's Work*. But now, in my office as President, I find myself more and more involved in what could be called "intramural activities" . . . sitting on more and more Committees just like a Department Head. Other officers of the Churchwomen report the same thing happening in their various fields; and our extraordinarily capable Executive Secretary, Mrs. John L. Fox, finds herself increasingly drawn into Church House staff consultations and plans that never concerned her before. Though my predecessors and I have attended Missions

Department and Executive Council Meetings for many years as guests and auditors, it was this year proposed to the Committee on Canons by the Administrative Assistant to the Bishops, and I quote, "that our Diocesan Women's Work be recognized by the Diocese as an official part of our Departmental Structure with voice and vote in Council and the Departments wherever they participate." Unquote. This gives the women pause for thought. As one Board member expressed it, "It is delightful to be courted, but marriage is not entered into lightly." Such a move might possibly curtail the present almost autonomous position of the Churchwomen, and further change our pattern beyond recognition. While we are pleased to be wanted, the proposed revision of structure calls for careful study and analysis. Therefore on the advice of the Committee on Canons the proposal has been tabled for the present. I might add that judging by first reactions of the Churchwomen's Board it would seem that the women, though gratified by the proposal, are rather reluctant to relinquish their single blessedness. But the main consideration must of course reside in what is deemed best for the diocese, and in what ways our service can be most helpful.

The spirit of change toward unity has also been manifest within the Churchwomen's organization itself. The work is no longer cut and dried and sorted in separate compartments. All year there has been a remarkable degree of inter-departmental team-work. It has for some years become increasingly difficult for parish organizations to have adequate representation at Church House meetings. We have sought in two ways to remedy this: first by reducing the number of meetings in the city, and secondly, perhaps in emulation of the merchants and their suburban shopping centers, we have been developing area meetings and work-shops. This development was pioneered very successfully last year by the Prayer and Worship Department under Mrs. Robert C. Lea, Jr.'s, inspiring leadership. This year, in communities as widely distributed as Coatesville, Chester, Buckingham and Levittown, seven area Prayer Workshops were provided, and additional talks on prayer and meditation were given in 27 parishes. Mrs. Lea's term of office is closing. We are grateful for her influence and her work.

First to follow the lead of the Prayer and Worship Department, the women's Department of Christian Education under the direction of Mrs. Charles B. Allen, presented an area workshop at the Church of the Incarnation, Morrisville, last fall, for the benefit of

Bucks County dwellers. The program, based on the course suggested by National Counsel entitled "Response to Our Calling," endeavored to illustrate the involvement of a whole parish, laity and clergy as well, in mission and ministry. This workshop, repeated at the Church House, also demonstrated the inter-relation of departmental work, since our Overseas Mission Department, the Diocesan Department of Christian Education and various gifted and very kind clergy all took part. At the Church House gathering 54 parishes were represented.

One more pooling of resources resulted in a highly successful one-day conference in our Stable for Junior and Senior High School students. Sponsored by our Departmnt of Promotion under Mrs. Edward N. Hibberd, its subject was "What Shall I Do with My Summer?" One hundred young people heard six of their peers give graphic accounts of their experiences in Summer Service Projects last year. The locations described included Fort Defiance, Arizona; Pine Ridge, Kentucky; Brooklyn, New York; the San Joachim Valley, California; Canada and Japan. The National Council; the American Friends Service Committee; Miss Beryl Newman; The Rev. Edwin G. Bennett, Director of College Work; and Mrs. Edmund B. Wood of the Girls' Friendly Society all gave splendid support and advice. Not the least appreciated, however, were the efforts of the Women Convocation Presidents, who cooked and served free hamburgers, cokes, milk and ice cream in abundance.

The Ecumenical Committee in its second year is growing in strength and interest. One particularly well-attended meeting was addressed by the Rev. Charles H. Long, Jr., Chairman of the Diocesan Committee on Ecumenical Relations, and by Mrs. Alfred W. Chapman, a member of our Board and one of only a hundred guests admitted to the 1961 Assembly of the World Council of Churches at New Delhi.

We are pleased to include in our report messages from our Cooperating Agencies. The Church Periodical Club of Pennsylvania has, in the past year given to every seminarian of this diocese a set of the Interpreter's Bible. This is a continuing project. The C.P.C. is also to be congratulated on being first in the country in its striving to the National Book Fund; and first in the collection and distribution of magazines, books, cards, puzzles, etc. The Diocesan Altar Guild is celebrating its 50th Anniversary, and the Girls' Friendly Society, its 85th. We rejoice with them.

Our Lea Hill Scholarship Fund is now in full use, supporting two graduate students from our Diocese. Miss Marla Shilton is doing well in her second year at Windham House, and Miss Joan Robb is completing her first year at St. Margaret's, in Berkeley, California. The Fund also provided partial aid last summer to Miss Emily Stanford of the Diocesan Department of Christian Education, enabling her to take a special training course at the Episcopal Theological Seminary in Cambridge.

Finally, I would like to present a few figures to show the Churchwomen's Work is neither completely ethereal, nor achieved entirely by needle and thread. The Supply Department, having completed its quota of sewing and money for clothing set by National Council was, when last heard from, searching for ways to spend an extra $800.00. The Women's contribution to their own parish quotas this year was $47,120.12. But undoubtedly the best gauge we have of the depth and dedication of our work is the United Thank Offering, since it represents our prayers and our sense of mission as well as our stewardship. At the Triennial we presented from his diocese $215,019.04. Our first offering of the new triennium this fall amounted to $34,850.00.

"Show thy servants thy work, and their children thy glory. Prosper thou the work of our hands upon us; O prosper thou our handy-work." (Psalm 90).

MARY SITER OWEN,
President

APPENDIX S

REPORT OF THE COMMITTEE ON ECUMENICAL RELATIONS

April 30, 1962

In more and more places we see evidence that the movement for the reunion of the Church is breaking up that hard ground which has stood for so long as a kind of no man's land between the Churches of the Reformation and the Church of Rome. This is perhaps the most striking development in a period which has seen a remarkable thaw in relations between all the Churches. A sign of the times can be seen in an incident that occurred in connection with a large youth conference organized by the World Council of Churches in Lausanne, Switzerland. On the opening day the Roman Bishop of Lausanne invited all the people of his Diocese to join in a celebration of a Mass with a special intention for this meeting of non-Roman Catholic youth. The same Bishop sent a message to the conference stating that it is the teaching of the Roman Catholic Church "that all humble and sincere efforts which aim at the reconciliation of all Christians are the work of the Holy Spirit." The multitude of such efforts in our day is truly bewildering. It is also remarkable that the work of the Holy Spirit receives so much attention, for a change, in the news coverage of the secular press, of radio and television. Your Committee does not have to inform you of many of the most significant developments within the ecumenical movement within the last year. You have heard and read much about this yourself.

Since the last convention the Committee has been enlarged to consist of seven persons, each of whom has undertaken special responsibilities on behalf of the whole group. W have had three meetings chiefly devoted to the exchange of information and the coordination of our activities. Mr. Stanhope Browne has served as Secretary to the Committee. Four of us are members of the Board of Directors of the Greater Philadelphia Council of Churches. Mr. Louis M. Ream has served as Chairman of the Episcopal Committee for the support of this Council. Under his leadership there has been a marked increase both from the number of parishes in our Diocese who have become members of the Council of Churches and the contributions received from these parishes. Mrs. C. Stanley Rogers directs the work of the Ecumenical Commission of the

Episcopal Churchwomen. They have undertaken a number of serious study projects, including joint Bible study groups with women of other denominations. Mrs. Rogers herself has made innumerable addresses on this subject and has greatly increased the number of lay women who are informed and concerned about the cause of Christian unity.

The Reverend Robert MacDonald of St. Simeon's Church served as the Presiding Bishop's representative to the Congress of the Old Catholic Church in Europe and the very significant Conference of Orhodox Churches held on the Island of Rhodes last fall. He also sent Christmas and Easter greetings on behalf of the Episcopal Church to the Patriarchates, Autocephalous Churches, all the Orthodox Bishops in North America and the local Orthodox clergy. With his help we were able to arrange a joint observance of the Octave of Unity between representatives of the Episcopal Diocese of Pennsylvania and representatives of the Orthodox Council in this area.

Professor Skinner of the Divinity School has been our chief contact with the Faith and Order Commission, particularly through its North America subcommittees. Mrs. Edward Parnum served as Chairman of the Department of United Churchwomen in the metropolitan area and as such has been responsible for the observance of Churches in the World Day of Prayer, World Community Day, and similar ventures.

Your Chairman has continued to serve on a number of ecumenical committees concerned chiefly with student work, and will serve as Chairman of an international commission meeting in Geneva, Switzerland, next week. He has been called upon to speak at parishes, Convocation meetings and other occasions thirty some times in the last year; and has also been teaching a course on Christian Unity in the Adult Evening School of Beaver College. Members of the Committee have also written feature articles from time to time on different aspects of the ecumenical movement for publication in the diocesan *Church News*.

As we look ahead to the next year we again anticipate what the President of the House of Deputies has called a "year of ecumenical decision." We will hear more of the Ecumenical Council of the Roman Catholic Church and its significance for other Churches. We expect to continue the process of re-examination of the contribution of various Councils of Churches to the cause of Christian

unity and the role that Episcopalians should play within them. The Church Club of Philadelphia has planned for its program in 1962 and '63 an important series of speakers representing each of the major Christian Churches in the U.S.A. Conversations have already begun very auspiciously between ourselves, the Methodists, Presbyterians, and other Churches. It is to be hoped that a circle much wider than the official negotiating committees can be involved in this process of conversation. During the next year we shall also be looking ahead to the Anglican Congress 1963, at which many of the important questions concerning our relation with other Churches will come up once more for discussion.

There was a time when the major branches of Christ's Church could and did live in relative isolation from one another. That time is past. Inter-Church relations of some kind have become unavoidable. The question is—what will be the direction, the controlling purposes and goals that determine what we say and do and decide in concert with our non-Episcopal brethren? Your Committee believes that it is more important than ever that the issues and trends of the ecumenical movement be carefully studied and that the laity and clergy of our Church be kept well informed. We therefore request the continuance of this Committee and its work.

Respectfully submitted,

CHARLES H. LONG, JR.
Chairman

REPORT OF THE COMMITTEE ON THE FUND FOR THE EPISCOPATE

During the year gifts to the Endowment Fund of the Episcopate amounted to $15,230.00. Of this amount, $3,477.00 was received from the Diocese and the balance from individual contributions and legacies.

As of December 31, 1961, the book value of the Fund had increased to $727,583.00 from $713,400.00 a year earlier.

During the year 1961 income received by the Diocese from the Fund amounted to $39,199.00 as compared to $37,074.00 in 1960.

We are confident that in the year ahead the Endowment Fund of the Episcopate will continue to receive the moral and financial support of both the clergy and laymen throughout the Diocese.

REPORT ON EPISCOPAL COMMUNITY SERVICES

(Reports distributed at Convention and are on file in office of administrative assistant to the Bishops)

INSTITUTIONAL CHAPLAINCY SERVICE REPORT TO DIOCESAN CONVENTION, 1962

The Church's concern for people removed from ordinary parish connections by confinement in institutions goes far back into the history of this diocese and, as a matter of fact, precedes the formation of the Episcopal Church. Back in 1732 the Church of England established a chapel and a ministry to patiens in the predecessor of what is now Philadelphia General Hospital. The first bishop of this diocese, The Rt. Rev. William White, was much concerned about the plight of men and women incarcerated in the one jail of that day, the famous Walnut Street jail, and as a result of his efforts a ministry was conducted to those inmates and steps were taken to alleviate the terrible conditions then existent.

These highlights of the early days of the Church in this area indicate the concern and the initiative taken by these pioneers. This concern culminated in an organized ministry to institutions on the part of the Diocese of Pennsylvania in the year 1870 with the founding of a diocesan sponsored chaplaincy service as a part of what is now Episcopal Community Services. For 92 years this chaplaincy service has been ministering to men, women and children in the prisons, hospitals and other institutions in the diocese. At the present time it consists of five full-time chaplains, one part-time chaplain, 47 volunteer chaplains, 5 lay readers, and 20 lay volunteer visitors. This latter group of lay volunteer visitors is made up of men and women who conduct regular visits to shut-ins who have few if any friends or relatives, and is designed to carry the Christian concern for all God's people into an area that has been much neglected in the past. People who had lost all interest in life, who had felt that even God had forgotten them, have been returned to a vital relationship with the world about them and with their Creator.

Not enough can be said about the dedication and devotion of our volunteer chaplains. These men are busy parish priests who take time each week from their heavy schedule to visit all Episcopalians in a hospital within their parish bounds. They are officially appointed as volunteer chaplain to that hospital by the Bishop, and in assuming this obligation they agree to visit in the hospital at

least once a week, to notify other rectors of the presence of their parishioners in the hospital and to be available for emergency calls as needed. Time after time letters and 'phone calls have been received in our office attesting to the great value of this missionary work of the diocese. Much of the value of this program has been seen in ministry to Episcopalians who are far from their home parish and who have been strengthened and encouraged by the realization that the Church has sought them out and is ministering to them no matter where they may be. The seriously injured victim of an automobile accident who is far from home, or a critically ill visitor from England, or an apprehensive mother whose infant arrived ahead of schedule while she was hundreds of miles from the place of intended birth, are typical of the situations handled so well by our volunteer chaplains.

With the broad support of these volunteer chaplains and the lay volunteer visitors, our staff chaplains are free to concentrate on those institutions which lie outside the usual sphere of operation of the parish priest, or those which are so large as to require more coverage than it is possible for a rector to give, or in those institutions where specialized training and experience are needed. This results in assignment of the staff chaplains to 17 institutions located in the diocese, including prisons, juvenile facilities, large general hospitals and psychiatric hospitals. The amount of time devoted to each institution varies from half a day a week to a practically full-time assignment of better than five days. In addition to the week-day visitation, most of the institutions are also provided with a Sunday Service. Our staff chaplains are priests with parish experience who have received special training for this work and continue to train for as long as they are on the job. We are very fortunate in having a group of men so dedicated to their work, for the present salary scale makes it difficult to recruit or to hold trained men.

Over the years we have discovered that people have a habit of becoming critically ill or being subject to other emergencies at hours other than the normal working hours of the day. Therefore, we established some time ago a twenty-four-hour coverage, seven days a week, with one chaplain always on call. This information has been disseminated to the hospitals and other institutions and a yearly reminder is sent to them, pointing out the availability of an Episcopal priest at any hour of the day or night. The calls received during the odd hours of the night may range from verifying the identity of a churchman who was falsely arrested and

taken to a police station, to taking the sacrament to a patient who is refusing an emergency operation until she has made this contact with her Lord. It may mean long hours on the 'phone trying to locate the relatives of an out-of-town accident victim or counseling with a family of a critically ill patient. In each case, it means dealing with people who have no parish connections in this area either because they are from some other location or because their active membership in the Church has long since lapsed. It is often this missionary work of your diocese which starts a person on his way back to active participation in all of the Church's endeavors.

Our ministry in prisons and to those who are mentally ill requires not only specialized knowledge in these fields, but a tremendous amount of patience and understanding of the frailties of human nature. Too often people in these situations are overburdened with a sense of guilt, resulting in their attempt to punish themselves or to let the state punish them. They need to be brought past the intellectual acceptance of God's forgiveness, to a full realization in their entire being of this forgiveness. The mere presence of the Church in these areas of separation from all the rest of life speaks of God's concern for His people wherever they may be.

It cannot be emphasized enough that this is your ministry. It is you who are reaching out to people in distress, it is you who are doing God's work throughout this diocese, because it is your support that makes this ministry possible. The staff chaplains are paid from diocesan funds which in turn come from each of you. The work that we are doing is as yet only a fraction of what we could and should be doing. A larger staff is needed not only to expand the coverage to other institutions, but in many ways more importantly, to provide a more intensive ministry in many of the institutions where we now visit.

This diocese has always been in the forefront, has always been a pioneer in extending the Church's work to God's people wherever they may be. It is a fact in which we may all take pride, but it is not one where we may sit back and be satisfied with past accomplishments. The entire field of chaplaincy work is growing and expanding throughout the country and this diocese still has a responsibility to remain in a position of leadership. This can and will be done with the continuing support and cooperation of the Bishops and the members of the diocese.

Respectfully submitted,

THE REV. WALTER R. STRICKLAND,
Director, Institutional Chaplaincy Service

APPENDIX V

CUBAN RESETTLEMENT—INFORMATION SHEET

The Greater Philadelphia Citizens Committee for the Resettlement of Cuban Refugees is a joint cooperative effort of the Philadelphia and suburban communities with the national voluntary resettlement agencies to help Cuban refugees resettle in this area. The International Institute is providing coordinating service for the citizens group.

The Need

Between 1,500 and 2,000 Cuban refugees arrive weekly in Miami. They come destitute to a community already overwhelmed with over 100,000 Cubans. Severe housing shortages and few employment opportunities preclude the possibility of all these people staying in Southern Florida. The majoriy receive financial assistance from the United States Government in varying amounts up to a maximum of $100 a month per family.

It is important that the Cuban refugees have opportunities to resettle in other parts of the country. Most have occupational skills or professional training. The U. S. Government pays transportation costs from Miami to the place of resettlement. In case of emergencies which a sponsor cannot handle, these refugees are eligible for local public assistance benefits. State Letter No. 465 dated March 17 from the Federal Bureau of Public Assistance to all State Welfare agencies outlines this provision.

What Is Required of a Sponsor?

A sponsor may be a religious, civic or social group or an individual. The sponsor assumes responsibility to:

1. File an offer of resettlement. This is a moral and not a contractual obligation.
2. Find temporary housing (which may be hospitality in a private home or some temporary kind of rental) and later help the family find and furnish more permanent quarters.
3. Help find suitable employment. It is not necessary, however, to have a specific job offer in advance of arrival.
4. Advise on community services, education, language classes, and "stand by" to give whatever help and guidance may be needed in the adjustment period—while being sensitive to letting the refugee live his own life.

5. Advance funds, if needed, for initial living expenses. Such funds may be considered loans, to be repaid by the new family when possible.

Cuban refugees receive security clearance by the Immigration and Naturalization Service. They are given a thorough medical examination by the United States Public Health Service in Miami. They are interviewed by representatives of the national voluntary resettlement agencies. Information on work experience, educational background, and family composition is made available to potential sponsors.

REPORT OF THE TRUSTEES OF THE CHRISTMAS FUND

During the year 1961, grants were made to 16 eligible beneficiaries ranging from a minimum of $360 to a maximum of $750, annually, depending upon financial need.

One beneficiary, The Rev. John H. Morgan, died, but the grant was continued to his widow.

The details of receipts and disbursements are incorporated in the report of the Diocesan treasurer, together with a statement of market value of assets.

The fund continues to provide essential supplemental income, the receipt of which is gratefully acknowledged by the beneficiaries.

APPENDIX X

REPORT ON THE GREATER PHILADELPHIA COUNCIL OF CHURCHES

We would remind this Convention that the Greater Philadelphia Council of Churches is one of the strong forces for cooperative Christian effort in this area. The Rev. William D. Powell, the General Secretary of the Greater Philadelphia Council of Churches, is one of the most experienced and best known leaders in this highly specialized area of Church work. Associated with him is a professional staff, competent in their respective areas of responsibility.

For several years now, clergy and laity of our Diocese have assumed roles of responsibility and leadership in the Greater Philadelphia Council of Churches, and we would point out once again the hope that more parishes in the Diocese will become members of the Council. To grow in work and services rendered, the Council of Churches must likewise grow in membership and financial support.

The ecumenical aspects of membership in the Council of Churches has been mentioned in another report, but it would be an omission of timely importance if we did not take note of this vital aspect of participation by our parishes in the life and work of the Greater Philadelphia Council of Churches.

Respectfully submitted,

JAMES R. MACCOLL, III
